Learn Spanish - Level 9: Advanced, Volume 1 Innovative Language Learning, SpanishPod101.com, *A Gringo in Mañana-land* Harry La Tourette Foster, 1924 *Selected Works of Miguel de Unamuno, Volume 1* Miguel de Unamuno, 2017-03-14 The first English translation of Unamuno's first novel published in 1897 when he was 33. Its setting is the Basque country of northern Spain during the Second Carlist War 1874-1876, a conflict he lived through as a child. Originally published in 1983, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Bible in Music Robert Ignatius Letellier, 2017-06-23 This book explores the relationship between the Bible and the world of music, an association that is recorded from ancient times in the Old Testament and one that has continued to characterize the cultural self-expression of Western Civilization ever since. The study surveys the emergence of this close relationship in the era following the end of the Roman Empire and through the Middle Ages, taking particular note of the role of Gregorian chant, folk music, and the popularity of mystery morality and passion plays in reflection of the Sacred Scripture and its themes during those times. With the emergence of polyphony and the advent of the Reformation in the sixteenth century, the interaction between the Bible and music increased dramatically, culminating in the evolution of opera and oratorio as specific genres during the Renaissance and the Early Baroque period. Both these genres have proved essential to the interplay between sacred revelation and the various types of music that have come to determine cultural expression in the history of Europe. The book initially provides an overview of how the various themes and types of Biblical literature have been explored in the story of Western music. It then looks closely at the role of oratorio and opera over four centuries, considering the most famous and striking examples and considering how the music has responded in different ages to the sacred text and narrative. The last chapter examines how biblical theology has been used to dramatic purpose in a particular operatic genre, that of French Grand Opera. The academic apparatus includes an iconography, a detailed bibliography, and an index of biblical and musical references, themes, and subjects.
