

The background of the book cover is a painting in a soft, impressionistic style. It depicts a man wearing a brown hat and a woman in a white dress. They are in a room with warm, low lighting, possibly from a lamp. The man is looking towards the woman, and she is looking down. The colors are muted, with a lot of browns, oranges, and purples.

**Manhood in America** Michael S. Kimmel, 2018 For more than three decades the women's movement and its scholars have exhaustively studied women's complex history roles and struggles In *Manhood in America: A Cultural History* Fourth Edition author Michael Kimmel argues that it is time for men to rediscover their own evolution Drawing on a myriad of sources he demonstrates that American men have been eternally frustrated by their efforts to keep up with constantly changing standards Kimmel contends that men must follow the lead of the women's movement it is only by mining their past for its best qualities and worst excesses that men will free themselves from the constraints of the masculine ideal

U. Reavis,1880 **The Manhood of America. A Lecture ... Delivered ... 1879. Third Edition** Logan Uriah REAVIS,1880 *Angry White Men* Michael Kimmel,2017-04-25 One of the headlines of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night four years later when Donald Trump was announced the winner it became clear that the white American male voter is alive and well and angry as hell Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America s angry white men from white supremacists to men s rights activists to young students In *Angry White Men* he presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them *Angry White Men* discusses among others the sons of small town America scarred by underemployment and wage stagnation When America s white men feel they ve lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they re all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The election of Donald Trump proved that angry white men can still change the course of history Here Kimmel argues that they should walk openly and honorably alongside those they ve spent so long trying to exclude in order to be happier and healthier **The Redundant Male** Jeff Becker,2018-10-31 If men and women are to be the individuals God created them to be they must accept their God given roles The alternative is chaos In *The Redundant Male* The Marginalization of Manhood in America author Jeff Becker an ordained minister in the Presbyterian Church for almost thirty years documents the systematic deconstruction of these roles in terms of the American experience in the family work education government and popular culture and media along with their inevitable deleterious effects both on individuals as well as in society at large This insight makes *The Redundant Male* a useful new title for anyone interested in obtaining a biblical understanding of the proper role of husband father particularly in terms of its being central to the health of the family unit Between Profits and Primitivism Athena B.
