Manichean Psychology:

Manichean Psychology Camara Jules P. Harrell,1999 Finally the third domain are the states of mind and the patterns of behavior output formed in reaction to racism **Lectures on the History of Moral Philosophy** John Rawls,Barbara Herman,2000-11-15 The premier political philosopher of his day John Rawls in three decades of teaching at Harvard has had a profound influence on the way philosophical ethics is approached and understood today This book brings together the lectures that inspired a generation of students and a regeneration of moral philosophy It invites readers to learn from the most noted exemplars of modern moral philosophy with the inspired guidance of one of contemporary philosophy's most noteworthy practitioners and teachers Central to Rawls's approach is the idea that respectful attention to the great texts of our tradition can lead to a fruitful exchange of ideas across the centuries In this spirit his book engages thinkers such as Leibniz Hume Kant and Hegel as they struggle in brilliant and instructive ways to define the role of a moral conception in human life The lectures delineate four basic types of moral reasoning perfectionism utilitarianism intuitionism and the ultimate focus of Rawls's course Kantian constructivism Comprising a superb course on the history of moral philosophy they also afford unique insight into how John Rawls has transformed our view of this history

Augustine: A Guide for the Perplexed James Wetzel,2010-04-09 This is a student's guide to the life and work of Augustine a notoriously challenging thinker widely read in Philosophy and Christian Theology The book provides a concise and coherent overview of Augustine introducing all the key concepts and themes and is ideal for undergraduates who require more than just a simple introduction to his work and thought

St. Augustine and Plotinus: the Human Mind as Image of the Divine Laela Zwollo,2018-11-26 In Augustine and Plotinus the Human Mind as Image of the Divine Laela Zwollo provides an inside view of two of the most influential thinkers of late antiquity the Christian Augustine and the Neo Platonist Plotinus By exploring the finer points and paradoxes of their doctrines of the image of God the human soul intellect the illustrious church father's complex interaction with his most important non biblical source comes into focus In order to fathom Augustine we should first grasp the beauty in Plotinus philosophy and its attractiveness to Christians This monograph will contribute to a better understanding of the formative years of Christianity as well as later ancient philosophy It can serve as a handbook for becoming acquainted with the two thinkers as well as for delving into the profundity of their thought

The Complexity and Progression of Black Representation in Film and Television David L. Moody,2016-06-02 The Complexity and Progression of

Black Representation in Film and Television examines the intricacies of race representation Black masculinity sexuality class and color in American cinema and television Black images on the silver screen date back to the silent film era yet these films and television programs presented disturbing images of African American culture and regrettably many early films and small screen programs portrayed Black characters in demeaning and stereotypical roles In order to fully analyze the roles of Black actors and actresses in film and television Moody addresses the following issues the historical significance of the term race films female Black identities and constructs queerness and Black masculinity Black male identities and Black buffoonery in film and television

Wisdom's Friendly Heart Jennifer Hockenberry,2020-09-25 Sixteen hundred years ago Augustine begged his African congregants to think rationally pay attention to evidence and listen to their neighbors He knew this would not be easy He knew that human error is more common than human knowledge He himself had been a member of an elitist cult for nearly ten years and then had spent several years as a skeptic resigned to seeking wealth and honors rather than hoping for truth or goodness He would not be surprised by the rise of white supremacist cults or the nihilistic apathy that have arisen in the post truth era He had seen nativism elitism fear and doubt rise in response to a crisis of hope that truth could be found a crisis that led to the use of physical force rather than educated disputation a crisis that ended in the fall of both Rome and Carthage to Vandals and Visigoths Augustine s response was to preach publically the hope that encouraged him in his own personal quest for a happy life This book examines that hope in Augustine s context until the current moment
