Manila Goodbye:

Manila, Goodbye Robin Prising, 1975 A privileged son of an English actress and an American tobacco exporter Prising was a wealthy pampered child in the 1930s Far East When his parents were caught up in the Philippine occupation the boy was separated from them and interned at Santo Tomas for three years where his life changed dramatically **Civilian Prisoners of the Japanese in the Philippine Islands**, 2002 **Forgotten Captives in Japanese-Occupied Asia** Kevin Blackburn, Karl Hack, 2007-12-14 Using archival oral and literary sources Blackburn and Hack along with an impressive team of international contributors rectify the obscured picture of the Japanese captive by bringing together for the first time a collection of essays covering an extremely broad range of forgotten captives Fredy Neptune Les Murray, 2015-09-29 A riveting beautiful novel in verse by Australia's greatest contemporary poet winner of the 1996 T S Eliot Prize I never learned the old top ropes I was always in steam Less capstan less climbing more re stowing cargo Which could be hard and slow as farming but to say Why this is Valparaiso Or I'm in Singapore and know my way about takes a long time to get stale from Book I The Middle Sea When German Australian sailor Friedrich Fredy Boettcher is shanghaied aboard a German Navy battleship at the outbreak of World War I the sight of frenzied mobs burning Armenian women to death in Turkey causes him through moral shock to lose his sense of touch This mysterious disability which he knows he must hide is both protection and curse as he orbits the high horror and low humor of a catastrophic age Told in a blue collar English that regains freshness by eschewing the mind set of literary language Fredy's picaresque life as perhaps the only Nordic Superman ever is deep dyed in layers of irony and attains a mind inverting resolution Love and Relationships Nina Lee Aquino, 2009 Works that represent cultures from all over Asia and the place those cultures have in Canada **The War in the Pacific** Duane Ryan, US Army Military History Institute, 1978 **Deleuze and Feminist Theory** Claire Colebrook, Ian Buchanan, 2018-09-20 Ever since Deleuze and Guattari provocatively declared that all becoming must go by way of a becoming woman their work has been the subject of intense feminist interrogation This volume highlights the key points of this ongoing inquiry focusing particularly on the implications of Deleuze's work for a specifically feminist philosophy Deleuze and Feminist Theory brings together the work of some of Deleuze's finest commentators and today's most important feminist thinkers For Deleuze reading a philosopher or thinker ought never to be a question of blind allegiance or assessing the correctness of methods Engagement with a thinker is most productive when considered in terms of what a body of thought can do how concepts create events and how thinking can mobilise desire It is in this spirit that the essays in this book engage with the work of Deleuze and Deleuze and Guattari Deleuze is neither wholeheartedly embraced as an answer to feminist questions nor rejected as yet one more masculinist error in the history of reason Rather Deleuze presents feminism with a challenge and a question how to think The work gathered here responds to this challenge with a series of further questions opened by the Deleuzian project How might desire be thought positively What can a body do How might women become And

how might feminism be thought as an event Including new work by Elizabeth Grosz Rosi Braidotti and Dorothea Olkowski and essays on film the colonial imaginary desire and embodiment Deleuze and Feminist Theory offers a sustained consideration of the impact of Deleuze on feminist thought Key Features Provides an introduction to Deleuze for those working in feminist theory and philosophy Includes new work by major feminist theorists Provides a broad approach to several areas of Deleuze's work including film politics literature and feminism Relates Deleuze's work to its historical and philosophical context 1944-45 Richard Collier, 2023-06-15 The end is in sight but the fight is long the epic and terrifying conclusion to the greatest conflict in history Going into 1944 the Allies knew the tide was turning in their favour But they still faced a monumental task to get to victory From the beaches of Normandy on D Day to those of the Pacific stormed by American marines from the air drops at Arnhem and the Battle of the Bulge to the final dropping of the atomic bomb on Hiroshima and Nagasaki from the sacking of Berlin to the delicate peace that followed this is a gripping and impeccably researched account of two years that forever changed the world Filled with both the grand sweep of history and small unforgettable details and stories of ordinary soldiers this is military writing of the very highest calibre perfect for fans of Jonathan Dimbleby and Ben Macintyre **Philippine Holdings in the Library of Congress, 1960-1987** Library of Congress, 1993 **The Oil Trade Journal** ,1916 **Catholic Almanac** ,1977 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... G. S. Enser, 1985 Bibliografi over 2 Verdenskrig **AB Bookman's Weekly** ,1993 **The War** Geoffrey C. Ward, Ken Burns, 2007-09-11 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world Whitaker's Cumulative Book List ,1977 **871 Famous Last Words, and Put-downs,**
