**Bucket List Ride** Linda Enns, 2018-12-20 Small town Manitoba may not be where big dreams typically start but for Winkler resident Victor Enns that's where the adventure began. Invited by his son and daughter in law Mike and Linda Enns to take a bucket list motorcycle ride across Western Canada this octogenarian didn't let his age stop him. Other challenges almost did though and the reader will enjoy a rollicking account of the ups and downs of this exhilarating venture. In her comfortable and compelling style Linda Enns invites you along on the journey. You will encounter a range of challenges including mechanical troubles with the bikes, curious encounters with troubled strangers and the worry of the younger generation regarding the hardness of their older travelling companion. You will also enjoy great beauty, the heritage of multi-generational love, delightful humour and charming anecdotes. While an entertaining Western Canada travelogue for tourists and motorcycle enthusiasts, this book goes far beyond that. It is an uplifting moving account that will inspire readers who are facing life after the loss of a loved one, have big dreams but the fears to match need a new perspective on age-related challenges, want motivation to live a more positive life or could reach out with kindness to make someone's bucket list a reality. *Bucket List Ride* will engage all your senses as you enjoy the sights, mountains, sounds, 650 Yamaha tastes, ice cream, smells, forest fires and touch group hugs of this road touring adventure. Enjoy the ride      *Nature Canada*, 2004

**2001-2003 Manitoba Group Tour Manual : an Adventure in Nature** Travel Manitoba, 2001      Field & Stream, 1993      *Canadian Nature*, 1942      *Beyond the Front Door* Josée Bergeron, 2026-02-24 Calling families to return to nature Bergeron offers simple solutions for how to increase outdoor time and as a result overall mental health. Parents are stressed, anxious and exhausted. Their children are spending an average of five to seven hours on screens and mere minutes outside each day. This book is for every family who is desperate to detach from screens and find some fun and engaging family time together. Whether you live in a big city in the suburbs or out in the country, Josée Bergeron will help you find creative and simple ways to bring the rhythm of nature into your daily routine just beyond your front door. Following the four seasons, each section contains unique themes and topics to bring families closer to the outdoors in order to improve their mental health and happiness. Bergeron encourages everyone to feel at home in nature and she offers practical ideas for helping you connect with nature through curiosity and relatability. Families can incorporate cultural traditions when interacting with nature and can honor the inherent attributes of the particular land they live on. Whether it's welcoming spring by weaving a wildflower crown, celebrating summer by building a bug hotel, appreciating autumn by preserving leaves in beeswax or creating a magical ice wreath in winter, families will learn how to embrace nature's seasons and be more in tune with each other and their communities      **ON Nature**, 2006      **Nature First** Bob Henderson, Nils Vikander, 2007-07-31 Friluftsliv is an

*The Canadian Short Story* Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany      **The Adventure Guide to Canada** Pam Hobbs,1991      **The New Yorker** Harold Wallace Ross,Katharine Sergeant Angell White,2010-02      **Canadiana** ,1990
