Match shooting with the Enfield rifle, by a man of many ways Enfield rifle,1866 [The Many Ways Jews Loved](#)

Constance Harris,2020-06-18 While acknowledging the ways in which persecution inevitably affects a community this book deviates from most Jewish studies to survey the ways in which Jewish history has been shaped by the everyday experience of love It examines erotic poetry sensual art and literature and biblical and rabbinic stories about lust It reviews the ways in which Jewish law has both encouraged and regulated sexual interaction and studies the diversity of Jewish attitudes toward such relationships found in a vast array of works whose authors and artists often speak to the confusion and failure of love while also finding a purpose in its pursuance It tells the stories of those people who revel in love and of others who remember love and grieve in its absence
