Mans Poor Relations:

Man's Poor Relations Ernest Albert Hooton,1942 *MARY ELIZABETH BRADDON Ultimate Collection: Mystery Novels, Victorian Romances & Supernatural Tales* Mary Elizabeth Braddon,2023-11-10 In Mary Elizabeth Braddon Ultimate Collection Mystery Novels Victorian Romances Supernatural Tales readers are ushered into the intricate world of Victorian literature where Braddon's storytelling prowess shines through her diverse genres. This comprehensive anthology encapsulates Braddon's fascination with the complexities of love and moral ambiguity, featuring captivating mysteries and tantalizing supernatural elements. Her masterful command of suspense and character development, coupled with rich atmospheric settings, reflects the period's intricate social mores and Gothic influences, revealing a nuanced exploration of femininity and societal constraints. Mary Elizabeth Braddon, a prominent figure in Victorian literature, emerged as a formidable author and career woman during a time when women's voices were often stifled. Her personal experiences, including hardships and the challenges of being a single mother, undoubtedly inspired the depth and resilience found in her characters. Braddon's early exposure to the publishing world and her involvement in periodicals led to her swift rise in popularity, particularly with her sensational novel *Lady Audley's Secret*. This ultimate collection is a must-read for those seeking to investigate the intersection of mystery, romance, and the supernatural within the Victorian context. Braddon's engaging narratives and compelling themes make this anthology essential for scholars, enthusiasts, and casual readers alike, offering a rich tapestry of emotion, intrigue, and the timeless struggle for autonomy.

Hanuman's Tale Philip Lutgendorf,2007-01-11 Hanuman, the devoted monkey helper of Rama and Sita, has long been recognized as a popular character in India's ancient Ramayana epic. But more recently, he has also become one of the most beloved and worshiped gods in the Hindu pantheon, enshrined in majestic new temples but equally present in poster art, advertising, and mass media. Drawing on Sanskrit and vernacular texts, classical iconography, and modern TV serials, and extensive fieldwork and interviews, Philip Lutgendorf challenges the academic cliché of Hanuman as a minor or folk deity by exploring his complex and growing role in South Asian religion and culture. This wide-ranging study examines the historical evolution of Hanuman's worship, his close association with Shiva and goddesses, his invocation in tantric ritual, his physical immortality, and enduring presence in sacred sites. And his appeal to devotees who include scholars, wrestlers, healers, politicians, and middle-class urbanites. Lutgendorf also offers a rich array of entertaining stories not previously available in English, an expanding epic cycle that he christens the Hanumayana. Arguing that Hanuman's role as cosmic middle man is intimately linked to his embodiment in a charming and provocative simian form, Lutgendorf moves beyond the Indian subcontinent to interrogate the wider human fascination with anthropoid primates as boundary beings and as potent signifiers of both Self and Other.
