Kamala Das's writings epitomise this change. Degeneration of old values and corruption that creep in with modernization are depicted in the writings of Upmanyu Chatterjee and Arundhati Roy. The favourite theme of nearly all the writers analysed here has been human relationships. Our lives revolve around them in some form or the other. Relationships cannot grow from nothing; they develop through association and require a long gestation period between conception and delivery. The contributors who have contributed articles for this volume are teachers and researchers of great merit. They have debated and discussed on Indo-Anglican fiction at seminars and workshops. I am sure this volume will be of great help to students and scholars of Indian writing in English.

A Tiger for Malgudi and the Man-Eater of Malgudi R. K. Narayan, 2009-07-28 Two comic gems from the father of modern Indian fiction available in one volume for the first time. These two novels show R. K. Narayan at his best, offering enchanting tales of human absurdity that are also skillfully woven parables infused with Hindu mysticism. *A Tiger for Malgudi* is told from the point of view of the tiger Raja, now old and toothless, who looks back on his life in the circus and in films and on his dramatic bid to escape the brutish human world in a quest for freedom. *The Man Eater of Malgudi* is the story of Nataraj, a mild-mannered printer who stands up to Vasu, a pugnacious taxidermist, when Vasu begins to covet the beloved temple elephant for his collection. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Man-eater of Malgudi, The (Modern Classi R. K. Narayan, 2010-12 *The Man-eater of Malgudi* revolves around Nataraj, a mild-mannered owner of a small printing press who leads a contented life with his circle of friends, a poet, a journalist, and Sastri, his assistant. One day Vasu, a pugnacious taxidermist, moves into Nataraj's house and soon begins to encroach on his life, scaring away his friends and customers. Nataraj is intimidated by Vasu, but when the taxidermist covets the beloved temple elephant to add to his collection of stuffed hyenas, tigers, and pythons, Nataraj rises to the occasion.

The Indian Novel in English Dieter Riemenschneider, 2005 Range of readings by Indian and international critics over a period of six decades or from the beginnings of a critical discourse in the 1930s until the present time. The four chapters of the book offer a critical investigation into the reception of the novel genre as such and of the works of its three founding fathers, viz. Mulk Raj Anand, R. K. Narayan, and Raja Rao. The latter chapters are supplemented by a list of the respective author's novels, the most comprehensive critical bibliography to date, and a list of critics that includes their publications dates. Following the development of both the emergence of the modern Indian novel in English since the mid-1930s and its critical evaluation, Riemenschneider illustrates the at times controversial reaction to a
