Under the sea Where swans are bound at last Lovingly lovingly But the amorous melancholy is not the only vein nor does Miss Hochman s unusual concern for muted effects divert her from the sharper issues There is a sensible harsh wit at work here too and a comedic impulse that knows exactly the right way to bring the lyric back to earth 0 tent of felt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Streams** Sandra Hochman, 2017-05-02 Turner Publishing is proud to present a new edition of Sandra Hochman s treatise on poetry and songwriting *Streams* First published by Prentice Hall in 1978 Hochman s approach to teaching is just as unconventional and revelatory today as it was forty years ago From the Introduction by Hochman This is a personal book that I hope will be like a friend In a simple way I want to tell you some thoughts that I have about writing poetry and songs and share with you some warm up exercises for writing that can be used to limber up the mind the same way that dancers limber before a performance Writing has always been for me a necessary experience something that I feel compelled to do If that feeling of wanting to write is inside of you what I call the Necessary Angel wanting to speak that writing can be a part of your life experience the way it is part of mine      **Firsts** Carl Phillips, 2019-01-01 A masterfully curated collection drawn from a century of works in the acclaimed Yale Series of Younger Poets The Yale Younger Poets prize is the oldest annual literary award in the United States Its winners include some of the most influential voices in American
