Mission Alpine Redoubt:

Mission Alexander Molnar,1998-07-19 In late 1944 early 1945 the Nazi government began to earnestly shift its records funds and key personnel into the Alps of southern Germany Massive amounts of looted treasures and art were shifted into nearby caves tunnels and other hideouts while some 60 000 Nazis swarmed into the region It was here in the Alpine Redoubt constructed with the sweat and lives of thousands of concentration camp victims that our story begins It was here the Werwolfs were attempting to slow the Allied advance by killing Eisenhower and other leaders It was here that a lone Allied agent discovered the unthinkable Hitler is alive and in the Alpine Redoubt It was here that the remnants of the collapsing Reich would fight the advancing Allied armies for another 2 3 years costing the lives of an additional 300 000 Allied soldiers It was here beneath the ashes of the old Reich that the dreams and fortunes of a new Reich would spring forth when the time was ripe Sweet Revenge Alexander Molnar, Jr.,2003-09-10

the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities **The SS Hunter Battalions** Alexander Perry Biddiscombe,2006 Conventional wisdom suggests that the Allies and the Soviets were the only side in the Second World War to support resistance movements in occupied countries However based on recently released archival sources The SS Hunter Battalions shows that Hitler had his own version of the SOE and the OSS and that the Nazis too encouraged underground resistance against their enemies especially as Europe was liberated in 1944 45 The Nazis tried to exploit the misguided activism of ex collaborators ethnic nationalists and rabid anti communists but their efforts were clumsy and they were hamstrung by the sordid reputation that they had gained as wartime occupiers In addition the German commandos and spy masters in charge of the project hindered their own efforts through infighting ill discipline and a misconceived appreciation of their ability to motivate violent dissent Nonetheless the Germans supported as many as 700 000 anti Soviet partisans during the last year of the war and even in liberated France and Italy they bolstered small anti Allied cells and bands As Perry Biddiscombe demonstrates such efforts were not mere transitory occurrences but touched upon the origin of die Cold War and the roots of postwar Euro fascism The Six Hundred Days of Mussolini Frederick William Deakin,1966
