Mistress Contract:

The Mistress Contract She and He, 2011 The remarkable true document that is The Mistress Contract opens with a piece of paper that was signed in 1981 by a woman and her wealthy lover The contract establishes an exchange that she thinks fair If he will provide an adequate and separate home for her and cover her expenses she will provide him with mistress services All sexual acts as requested with suspension of historical emotional psychological disclaimers For the duration of the agreement she will become his sexual property Then on a small recorder that fit in her purse this extraordinary and unconventional couple began to tape their conversations about their relationship conversations that took place while travelling over dinner at home and in restaurants on the phone even in bed This book is based on those tapes It is a candid record of what they had to say to each other privately about the arrangement and its power relations their physical relationship and the sexual forces that shaped it As private and intimate as it is though the book also turns an unblinking light on a period of intense upheaval between men and women Looking back now thirty years later this extraordinary couple who are still together are willing to reveal their most private moments to our scrutiny What they capture in The Mistress Contract is an unapologetic revelation and a bold provocation

The Mistress Contract Helen Brooks, 2000 The Mistress Contract Abi Morgan, 2014 Inspired by the memoir The Mistress Contract by She and He For 30 years he has provided her with a home and an income while she provides mistress services All sexual acts as requested with suspension of historical emotional psychological disclaimers They first met at university and then lost touch When they met again twenty years later they began an affair when She a highly educated intelligent woman with a history of involvement in the feminist movement asked her wealthy lover to sign the remarkable document that outlines their unconventional lifestyle The Mistress Contract Was her suggestion a betrayal of all that she and the women of her generation had fought for Or was it brave honest and radical Then on a small recorder that fit in her purse this extraordinary couple began to tape their conversations about their relationship conversations that took place while travelling over dinner at home and in restaurants on the phone even in bed Based on reams of tape recordings made over their 30 year relationship The Mistress Contract is a remarkable document of this unconventional couple and the contract that kept them bound together to this day About the play *The Mistress Contract* Helen Brooks, 2011-03-21 Conrad Quentin was equally famed for his ruthless business deals and devastating good looks Sephy encountered the full force of these charms from day one of her new job as Conrad's secretary Sephy didn't want an office affair but Conrad proposed a deal if she agreed to date him he'd be the perfect gentleman until her temporary contract with him ended Then he planned to make her his mistress or more *I Do, I Do, I Do!* Helen Brooks, Lucy Gordon, Elizabeth Rolls, 2000

Women and Work in Eighteenth-Century France Daryl M. Hafter,Nina Kushner,2015-01-12 In the eighteenth century French women were active in a wide range of employments from printmaking to running whole sale businesses although social and legal structures frequently limited their capacity to work independently The contributors to *Women and Work in Eighteenth Century France* reveal how women at all levels of society negotiated these structures with determination and ingenuity in order to provide for themselves and their families Recent historiography on women and work in eighteenth century France has focused on the model of the family economy in which women s work existed as part of the communal effort to keep the family afloat usually in support of the patriarch s occupation The ten essays in this volume offer case studies that complicate the conventional model wives of ship captains managed family businesses in their husbands extended absences high end prostitutes managed their own households female weavers tailors and merchants increasingly appeared on eighteenth century tax rolls and guild membership lists and female members of the nobility possessed and wielded the same legal power as their male counterparts
