**Mixing Up Murder** Emmie Lyn, 2025-05-01 Murder wasn't supposed to be on the menu at the Little Dog Diner but that's exactly what we got served anyway Hi I'm Dani Mackenzie and I'm the unfortunate soul who owns said diner Looks like business is going to be slow for a little while as the whole town scrambles to find whodunnit At first I just needed something to keep me busy while on my forced vacation but now as the clues stack up I'm caught in the middle of this crazy mixed up murder And I'll do anything to get to the bottom of what really happened and why it happened in my kitchen Too bad the only known witness to the crime is the victim's terrier Pip and no one believes she bludgeoned her owner to death But if not her then who And perhaps more importantly who's next

**Mixing with Murder** Ann Granger, 2005 Fran Varady isn't keen to help seedy club owner Mickey Allerton track down Lisa a dancer who's done a bunk But since Mickey's holding Fran's dog Bonnie hostage till the job's done she doesn't have much choice She quickly locates Lisa and they arrange to meet but when Fran gets there early the first thing she sees is a body floating in the river It's Ivo one of Mickey's nastier bouncers If Lisa wasn't terrified already she is when she gets this news and Fran finds herself torn between helping the frightened girl and doing Mickey's bidding And it's all about to get a lot more complicated

**A Treatise on the Law of Homicide** Thomas Johnson Michie, 1914 **Will Cuppy, American Satirist** Wes D. Gehring, 2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman's metier is

dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona
