Moby Dick Volume 2 Herman Melville, 2018-06-04 *Moby Dick Volume 2 Special Edition* By Herman Melville On a previous voyage a mysterious white whale had ripped off the leg of a sea captain named Ahab Now the crew of the Pequod on a pursuit that features constant adventure and horrendous mishaps must follow the mad Ahab into the abyss to satisfy his unslakeable thirst for vengeance Narrated by the cunningly observant crew member Ishmael it is the tale of the hunt for the elusive omnipotent and ultimately mystifying white whale *Moby Dick* On its surface *Moby Dick* is a vivid documentary of life aboard a nineteenth century whaler a virtual encyclopedia of whales and whaling replete with facts legends and trivia that Melville had gleaned from personal experience and scores of sources But as the quest for the whale becomes increasingly perilous the tale works on allegorical levels likening the whale to human greed moral consequence good evil and life itself Who is good The great white whale who like Nature asks nothing but to be left in peace Or the bold Ahab who like scientists explorers and philosophers fearlessly probes the mysteries of the universe Who is evil The ferocious man killing sea monster Or the revenge obsessed madman who ignores his own better nature in his quest to kill the beast Scorned by critics upon its publication *Moby Dick* was publicly derided during its author's lifetime Yet Melville's masterpiece has outlived its initial misunderstanding to become an American classic of unquestionably epic proportions We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been
