Pacific circle 2: proceedings of the third biennial conference... Australian and New Zealand American Studies Association Conference, 3rd, Syd., 1968, Norman Harper, *British Pacific Fleet 1944-45* Brian Lane Herder, 2023-11-23 An illustration packed new account of the powerful Royal Navy fleet that fought alongside the US Navy throughout the last year of the Pacific War The British Pacific Fleet was the Royal Navy's primary contribution to the direct defeat of Japan in 1945 and is among the most powerful fleets Britain has ever sent into action With naval supremacy in home waters achieved by 1944 many of the best and most modern ships in the Royal Navy could be sent to the Pacific including battleships submarines light forces replenishment groups and shore establishment However the main striking force was the fast carrier force Illustrated throughout with dramatic new artwork 3D diagrams maps and archive photos this book explains how the Royal Navy joined the Pacific carrier war and how the fleet adopted the US Navy's ruthlessly effective fast carrier doctrine With ships optimized for short range operations in the Atlantic and Mediterranean the BPF had to rapidly adapt to the long range high tempo warfare of the Pacific and the story is often one of inspired improvisation The BPF shared the US Navy's terrifying experience of kamikaze strikes and famously its armoured carriers proved tougher than the US counterparts With discussion of the ships their technology how the fleet was organized and commanded and how it fought the campaign this book is a fascinating exploration of the Royal Navy's part in the victory over Japan Pacific Islands Pilot, 1893 **Great Naval Battles of the Pacific War**, 2022-06-20 This volume of U S Navy reports offers an authoritatively detailed refreshingly immediate perspective on the major battles of WWII in the Pacific Scores of historians have chronicled the naval battles fought against Imperial Japan during the Second World War But as we know hindsight gives us 20/20 vision The accounts collected in this volume were written during or immediately after the war before historians had begun to interpret these momentous events These accounts were never intended for the general public and are therefore unburdened by jingoistic bias or literary posturing The authors simply relate each battle accurately and dispassionately producing a document that reads like a running commentary Action follows action minute by minute Clear thorough and utterly impartial this is the permanent record of these five major battles each of which represents a dramatic turning point in the struggle for the Pacific *New Serial Titles*, 1992 *General Orders and Circulars Issued from Headquarters Department of the Pacific and Eighth Army Corps, and Office of the U.S. Military Governor in the Philippine Islands* United States.
