**Pagan Christs** John Mackinnon Robertson, 1911      **Pagan Christs** John M. Robertson, 2019-10-17 My purpose in grouping the four ensuing studies is to complement and complete the undertaking of a previous volume entitled Christianity and Mythology That was substantially a mythological analysis of the Christian system introduced by a discussion of mythological principles in that particular connection and in general The bulk of the present volume is substantially a synthesis of Christian origins introduced by a discussion of the principles of hierology Such discussion is still forced on sociology by the special pleaders of the prevailing religion But the central matter of the book is its attempt to trace and synthesise the real lines of growth of the Christian cultus and it challenges criticism above all by its theses 1 that the gospel story of the Last Supper Passion Betrayal Trial Crucifixion and Resurrection is visibly a transcript of a Mystery Drama and not originally a narrative and 2 that that drama is demonstrably as historic demonstration goes a symbolic modification of an original rite of human sacrifice of which it preserves certain verifiable details      Pagan Christs J. M. Robertson, 2015-06-24 Excerpt from Pagan Christs Studies in Comparative Hierology My purpose in grouping the four ensuing studies is to complement and complete the undertaking of the previous volume entitled Christianity and Mythology That was substantially a mythological analysis of the Christian system introduced by a discussion of mythological principles in that particular connection and in general The bulk of the present volume is substantially a synthesis of Christian origins introduced by a discussion of the principles of hierology Such discussion is still forced on sociology by the special pleaders of the prevailing religion But the central matter of the book is its attempt to trace and synthesise the real lines of growth of the Christian cultus and it challenges criticism above all by its theses 1 that the Gospel story of the Last Supper Passion Betrayal Trial Crucifixion and Resurrection is visibly a transcript of a Mystery Drama and not originally a narrative and 2 that that drama is demonstrably as historic demonstration goes a symbolic modification of an original rite of human sacrifice of which it preserves certain verifiable details That the exact point of historic connection between the early eucharistic rite and the late drama story has still to be traced it is needless to remark Had direct evidence on this head been forthcoming the problem could not so long have been ignored But it is here contended that the lines of evolution are established by the details of the record and the institution in the light of the data of anthropology and that we have thus at last a scientific basis for a history of Christianity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Pagan Christs: Studies in Comparative Hierology* John Mackinnon Robertson, Rationalist

Robertson,2014-03 This Is A New Release Of The Original 1911 Edition **Pagan Christs** John Robertson,2016-08-23 J M Robertson herein challenges not only the historical authenticity of the canonical accounts of the founding of Christianity but also Buddhism Hinduism Jainism Zoroastrianism and Judaism He answers the question implicit in Kersey Graves 1875 creed The World s Sixteen Crucified Saviors Why so many similar stories of savior figures in world religion At the dark heart of this mystery according to Robinson is a prehistoric drama involving human sacrifice particularly of children cannibalism and regicide As time passed the rituals were softened and turned into symbolic equivalents while retaining the tragic end of the narrative Robertson pulls in historic ethnographic and folklore data from hundreds of carefully cited sources He covers examples from antiquity such as Mithraism Manichaeism and Apollonius of Tyana In the final section he universalizes his study and focuses on Native America particularly the Aztec The conclusions of this book remain highly controversial but the sheer mass of evidence accumulated demands consideration **Pagan Christs** John M.
