James Huneker

Painted Veils:

Painted Veils James Huneker, 1920 The hero is a worldly young drama critic who falls in love with a soprano who refuses to let any emotion halt her career He courts a Good Girl who fantasizes dream children and exercises his lust on a perky trollop Others in the Huneker salon are a gossipy music critic and a seminarian who flies too close to the sun Amazon

Painted Veils James Huneker, 2022-05-29 James Huneker's Painted Veils delves into the intricate interplay of sexuality, love, mortality, and the artistic temperament, offering an incisive glimpse into the lives of bohemian New Yorkers. Its prose, rife with voluptuousness and astute observations, provides a narrative that both exalts and questions the excesses and ephemeral pleasures of life. Set within the literary context of the early 20th century, a period of great change and exploration in arts and mores, Painted Veils stands out for the honesty and boldness with which it addressed topics that were deemed taboo at the time, making it a provocative and avant-garde read that startled its contemporary audiences. James Huneker, an esteemed music and art critic of his era, channeled his vast experiences and interactions with the cultural elite into this novel. His keen insight into the psyche of the artist and their circle in New York City at the dawn of modernism lends a credible and engaging backdrop to this fiction. The author's expertise and fascination with the bohemian lifestyle have imbued his work with a richness and a palpable sense of realism that is both captivating and enlightening. Painted Veils is recommended for readers who appreciate a historically grounded exploration of societal norms and the intricacies of human desires. Huneker's narrative invites contemplation and provides a lens through which the present-day reader can examine the cultural controversies and artistic innovations of the past. As a snapshot of an era now distant, this book will especially resonate with those interested in the evolution of social mores, the intellectual ferment of New York life in the early twentieth century, and the timeless complexities of human nature.

Painted Veils (Classic Reprint) James Huneker, 2015-07-13 Excerpt from Painted Veils. Painted Veils is the literary turnstile into lubricious hard drinking, wise cracking twentieth century New York as Huneker was himself the incarnation of the cultured bohemianism of the glamorous days when the city was young, irresponsible, Dionysian. This book is New York in any year between 1880 and 1900. It is the most vital and vivid picture ever written of those decades by a man who lived its life, a man who made it his own, absorbing it with every breath, incorporating it in every cell of his body and brain. For this man Huneker was a voracious shark of the intellectual and of the sensuous life. He was a veritable Moloch of arts and persons, beers and food. He was curious about all things, a sleuth of all sensations and thoughts. To him Experience

was Truth Everything gave him a nervous vascular thrill stars and beer a woman's back or a new theory of the functions of the pylorus music or pig's feet Flaubert or Coney Island carousels Bergson or Chianti a policeman or the Aquarium About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Baedeker of Decadence George C. Schoolfield, 2003-01-01 During the final decades of the nineteenth century a common mind set emerged among many intellectuals la decadence. Many novels and novellas of the period were populated with protagonists who were fragile, refined, self-absorbed, and preoccupied with a trivially exquisite aesthetic. ***A Baedeker of Decadence*** presents thirty-two international works of literary decadence written between 1884 and 1927. George C. Schoolfield, a world authority on the decadent novel, offers an entertaining and wide-ranging commentary on this highly significant literary and cultural phenomenon. Schoolfield tracks down the symptoms of decadence in narrative works written in more than a dozen languages, providing synopses and passages in English translation to give a sense of each author's style and tone. Schoolfield throws new light on the close intellectual kinship of authors from August Strindberg to Bram Stoker to Thomas Mann and on the ingredients, themes, motifs, and preconceptions that characterized decadent literature.

Painted Veils. With 12 Illus. in Color by Majeska James Huneker, 1929 ***Exoteric Modernisms*** Michael J. Collins, 2023-05-19

This book is an account of how American realism in the Progressive Era contributed to debates about modernity. It uses the anthropological theories of Franz Boas and Jacques Rancière's work on aesthetics and politics to develop a mode of reading class and culture that challenges conventional interpretations that pit the two modes of representation in opposition. It paints a picture of the late nineteenth century prior to modernism as an aesthetically exciting, original, and politically radical stage in American life to reinvigorate realism as a radical aesthetic practice with implications for understandings of American literature both in the past and into the future.

Promenades of an Impressionist James Huneker, 2019-12-11 In *Promenades of an Impressionist*, James Huneker takes readers on a vivid artistic and cultural journey through the landscape of late 19th-century Europe, exploring the profound impact of Impressionism on society and the arts. With a highly descriptive and emotive literary style, Huneker intertwines personal reflection with interpretative critique, presenting a nuanced understanding of the emotional currents that shaped this transformative movement. The book captures the essence of prominent figures such as Monet, Degas, and Renoir, rendering their philosophies and artistic techniques with an engaging narrative that is both informative and enchanting. James Huneker (1857-1921) was an American music and art critic whose

cultural insights were profoundly influenced by his own immersion in the world of European art and music His travels across the continent and connections with notable artists and intellectuals of his time profoundly informed his work As a passionate advocate of the Impressionist movement Huneker sought not merely to critique but to celebrate the revolutionary spirit embodied by its progenitors reflecting the zeitgeist of an era on the cusp of modernity Promenades of an Impressionist is an essential read for art enthusiasts and general readers alike offering a rich tapestry of historical context and emotional depth Huneker's lyrical prose invites readers to appreciate the vibrant interplay between art and experience making it a timeless exploration of creativity that resonates across generations In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *Roodscreens and Roodlofts* Frederick Bligh Bond, 1909 *Painted Veils.
