Laura Reiter, 2014-06-19 The Beginner s Guide to Abstract Art is an inspirational but practical book that will help artists to paint in a less figurative way Laura Reiter demonstrates different ways to approach an abstract painting from just a little bit abstract to completely abstract She does this by focussing on ideas and themes as starting points looking at the creative processes involved and more unusual techniques Laura Reiter also covers how to use materials creatively watercolour acrylics mixed media and collage and how to experiment with colour and composition There is also details on texture simple printing mark making colour and its meaning and sources of inspiration Several projects are included and in addition to Laura s vibrant colourful paintings the work of several other contemporary abstract artists is featured Previously published in hardback as Painting Accessible Abstracts [**Journeys To Abstraction**](#) Sue St. John, 2012-04-24 We don t have to know what a painting is if we know how it makes us feel A fun fascinating survey of abstract art Journeys to Abstraction offers a behind the scenes look at how contemporary artists break free from literal depiction to rejoice in the pure expressive power of color line and texture 58 artists share 100 striking abstract paintings along with the ideas inspirations and diverse working processes behind them Covers a wide variety of traditional and non traditional media and techniques including watercolor collage acrylics ink and more Four step by step demonstrations show how abstract pieces come together from start to finish Discover how artists paint pour scrape spray carve stamp collage and otherwise build complex layers of texture and meaning Painting with egg cartons turning acrylic paints into shards of stained glass incorporating old failed paintings into fresh finished pieces anything goes in abstract art Marked by an inspiring freedom of form and content this is a liberating book for any artist in search of new dynamic forms of self expression [**Art Journey - Abstract Painting**](#) Jamie Markle, 2017-05-18 An Inspired Collection of the Best of Abstract Art Abstract art is a visual language a riot of color a profound explosion of texture and shape a quiet collision of forms Dynamic works of art can showcase pastel painting showcase watercolor flowers or even build off pen and ink drawings Abstract artists are limited only by their imagination And through instinct composition and an inspired color palette they translate emotions ideas or experiences into immersive images you want to explore again and

again This book is a stunning volume of more than 100 award winning abstract works showcasing the colorful and expressive nature of contemporary abstract art. Pieces have been hand selected from the Pastel Journal's Pastel 100 competitions and The Artist's Magazine's annual competitions, hard bound to provide years of beauty and enjoyment. Each painting is accompanied by an insightful critique from the artist. You may discover oil painting tips, watercolor techniques, details about the creative process, artistic inspiration, and revelations on why abstraction is an important art form. You need passion and dedication to do abstract work, and that is really my best advice to aspiring artists. You have to let your heart and emotion lead you to where you want to go. Denise Athanas, page 11. For me, abstract art can teach us about the beauty that lies deep within all our experience, often unseen until we change our perspective, remove our usual filters, and allow our hearts and minds to open to the wonders of life. Patricia Bevan, page 15. *Painting Abstract Pictures* Ronald Pearsall, 1991. [The Art of Abstract Painting](#) Rolina van Vliet, 2009. Filled with inspired instruction, this detailed guide shows how to compose dramatic, beautiful thought-provoking and evocative abstract paintings. While focusing on the goal of developing the creativity and self-expression inherent in each individual, the approach is unique in that there are no step-by-step instructions. [Abstract Painting and Abstraction](#) Emrys Williams, 2017-11-20. Abstract painting and abstraction can be a daunting and frustrating genre of art. How should you approach a surface? How can you use colour effectively? How can you make better, more expressive paintings? This inspiring book answers these questions and many more. Through a thorough analysis of his own work, Emrys Williams covers practical, theoretical, and historical issues of abstract art and explains a wide range of working methods to help develop more demanding personal approaches to the making of abstract painting. He emphasizes the relationship of colour to surface and the importance of seeking a profound connection with your art. [Painting and Understanding Abstract Art](#) Leonard Brooks, 1964. The author explains the dynamics of abstract art from its development over the years through present day 1964, touching on examples of surrealism, expressionism, and cubism. He explains the use of negative and positive space, thrust and pull of compositions, and understanding the abstract alphabet when tackling your own canvases. He also touches on collage, texture, color, mixed media, and new techniques when painting like using pipe cleaners or cardboard cutouts instead of paintbrushes. *Amazon*. **A Beginner's Guide to Making Abstract Art** Laura Reiter, 2024-05-09. A practical and inspirational resource for any visual artist who wants to paint in a less figurative way and take their first steps into the realm of abstract art. Through practical projects and easy-to-follow demonstrations, renowned artist Laura Reiter shows you how to create beautiful and unique abstracts in mixed media. Whether you want to simplify a subject into its abstract elements or experiment with colour, line, and form to make something completely new, this book will help you find an approach that works for you. It covers how to use materials creatively, focusing on watercolour, acrylics, and combining different paint media, and how to have fun with colour and composition to create something unique. The author explains how to find sources of inspiration and build up a mark-making repertoire, bringing in texture and collage, and

includes a wealth of playful exercises to help you develop your own individual abstract painting style Beautifully illustrated with the author s vibrant abstract compositions the book also features stunning examples from other leading artists whose work is partly or wholly abstract This fascinating book is all any artist needs to successfully make the move into abstract painting **Mondrian** Meyer Schapiro,1978 **Painting Abstracts** Rolina Van Vliet,2008-11-01 Clear challenging and inspiring this book contains instructions for 65 abstract paintings that you can get to work on straightaway with no previous experience All the basic information relating to picture elements composition theme and design is provided at the start of the book together with an exploration of the meaning of abstract painting and its importance as a means of self expression and creativity Rather than providing step by step instructions each of the exercises consists of information on method materials technique composition imagery and structure which will direct you to the finished piece while at the same time allowing your creativity to flow

Aesthetic Theory, Abstract Art, and Lawrence Carroll David Carrier,2018-09-06 Boldly developing the central traditions of American modernist abstraction Lawrence Carroll s paintings engage with a fundamental issue of aesthetic theory the nature of the medium of painting in highly original frequently extraordinarily successful ways Aesthetic Theory Abstract Art and Lawrence Carroll explains how he understands the medium of painting shows what his art says about the identity of painting as an art

discusses the place of his paintings in the development of abstraction and finally offers an interpretation of his art The first monograph devoted to him this philosophical commentary employs the resources of analytic aesthetics Art historians trace the development of art explaining how what came earlier yields to what comes later Taking for granted that the artifacts they describe are artworks art historians place them within the history of art Philosophical art writers define art explain why it has a history and identify its meaning Pursuing that goal Aesthetic Theory Abstract Art and Lawrence Carroll roams freely across art history focused at some points on the story of old master painting and sometimes on the history of modernism but looking also to contemporary art in order to provide the fullest possible philosophical perspective on Carroll's work

Painting and Understanding Abstract Art John Lowry, 2013-12-21 Painting and Understanding Abstract Art is a practical book on how to paint abstracts but it also explains how to approach and understand abstract art It moves the teaching of art from a doing level of painting a certain subject in a particular medium to a thinking level of what am I doing when I paint and what am I trying to say in this painting Using practical exercises with explanatory text John Lowry develops the thinking and doing processes together and leads the reader to a greater understanding and appreciation of this most exciting art genre Gives advice on moving from figurative painting towards abstraction and explains the tools to abstraction simplifying and exaggerating eliminating curves and straights changing colours lines and items emphasising positive and negative shapes and using contrast Includes practical exercises to help develop your own style and understand the techniques of the masters and offers an overview of the lives and times of artists involved in the stage by stage evolution from realism to abstraction Aimed at beginners and the more experienced and illustrated with 229 colour illustrations

How to Paint: Abstracts Dani Humberstone, 2009-09-21 Dani Humberstone shows how to create a great selection of abstract paintings using mixed media and a few simple guidelines Combining her distinctive style with colour and texture she includes clear step by step demonstrations to help build up skills with easy to follow explanations about all the techniques she uses

Understanding Abstract Art Frank Whitford, 1987 Abstract paintings are discussed here both from the point of view of their creators and from the point of view of the spectator Then the kind of question repeatedly asked about abstraction is asked and answered By what standards can an abstract painting be judged Does abstraction set out to disregard the public's expectations and wishes If so is it unique in this Does the viewer contribute more to an appreciation of an abstract painting than to a more traditional work Does any abstract painting have a message If so how does it express it Is it necessary to know anything about the artist himself in order to fully appreciate his work Does an abstract painting require more or less skill in its execution than a traditional work Is there anything more to abstraction than novelty back cover
