## **Paisley Pattern:**

*Paisley Patterns* Valerie Reilly, 1989 One of the most enduring motifs that man has ever devised is that known to the English speaking world as the Paisley Pattern Originating in pre historic times as a representative plant form it has been in constant use in one way or another for over 2000 years When introduced into Europe late in the eighteenth century the pattern was seen as something exotic and was soon enthusiastically copied by textile manufacturers in Britain and France The shawls which were the principle garments to be decorated with the motif remained an essential part of a woman s wardrobe for virtually a century adapting in size and shape as each new dress fashion came along During that time millions of shawls were produced in thousands of different varieties The town of Paisley was the largest producer of the shawls and although the industry no longer dominates the fame of the Paisley Pattern lives on The Paisley Museum established in 1871 has over the years built up an enormous collection of shawls for display and research purposes Just as important as the shawls themselves however are the manufacturers original pattern books which contain large numbers of examples of the various stages in producing a design for a shawl One hundred and fifty of the best pieces of artwork have been selected and have been faithfully reproduced in this lavishly illustrated volume Dates of the designs and historical information have been included wherever possible making the book important for both textile historians and students of design With the current revival of fashionable interest in both the pattern and the shawl itself the contents of the book will surely provide a vital source of inspiration for yet more variations of this exquisite and enduring design Provided by publisher **The Paisley Pattern** Valerie Reilly, 1987 [Paisley's Pattern](#) LoRee Peery, 2016-04-01 Paisley and Rob love each other but neither is willing to correct what needs to be fixed in their relationship so Paisley relocates out of state When she discovers a secret that may repair Rob s view of his past she reaches out Rob is still bitter over Paisley s inability to commit and her habit of running but he believes she sincerely cares for him so he investigates her claim to have found his unknown heritage After the emotional turmoil of meeting a family he knew nothing about Rob s love for Paisley convinces him to reconcile their differences His world is incomplete without Paisley However she is reluctant to move forward and has an opportunity to flee again Will Rob help convince Paisley the answer is not to move again but lies with the Lord or will Rob lose Paisley forever
