Missed Connection:

Missed Connections Sophie Blackall, 2011-09-22 In her first book for adults the artist Sophie Blackall creates a deeply felt poignant book about love a book that captures the mystery the yearning at times the cosmic humor behind the what if of a missed connection Like a message in a bottle a missed connection classified usually posted on a website is an attempt however far fetched by one stranger to reach another on the strength of a remembered glance smile or blue hat The anonymous messages are hopeful and hopeless funny and sad Ms Blackall award winning illustrator of Ruby s Wish and Big Red Lollipop has turned some of the most evocative or hilarious of them into exquisite paintings Missed Connections is a collection of illustrated love stories There s We Shared a Bear Suit If Not for Your Noisy Tambourine Hairy Bearded Swimmer Each is told in the shorthand of a missed connection and then illustrated in Chinese ink and watercolor The paintings are extraordinary delicate yet full of feeling each springing from one little detail of the post into a fully imagined world Each brings the voyeuristic pleasure of watching love at first sight and the pleasure of watching an artist discover a fresh new way to tell a story And not all the connections are missed Hidden in the book are three pieces that conjure up the magic of love found
