Paging Aphrodite:

Paging Aphrodite Kim Green, 2004 Abandoned by her new spouse Parker Glass heads for the sunswept beaches of Corfu accompanied by her sister's lovelorn friend Anya Soberanes and encounters Claire Dillon a middle aged woman struggling to cope with the trials of motherhood dissatisfaction and an adulterous husband and Kelah Morris a young writer escaping from her stressful life Original 40 000 first printing

Live a Little Kim Green, 2008-08-15 What do you do if you have two bratty teenage kids who don't give you the time of day What do you do if your husband is more interested in his remote than you What do you do if you're forever being compared to your perfect sister who just happened to marry your perfect boyfriend And what do you do if you're told you have stage 4 breast cancer Well if you're Raquel Rose you tell your family your diagnosis and then you watch them go from treating you like dirt to treating you like a queen Then you go on to raise unprecedented amounts of money for breast cancer research You fulfill your early artistic promise And you find you love this new life of yours no matter how fleeting it may be So when the doctor calls to tell her that there was a mistake and she's actually perfectly healthy instead of sharing her good news Raquel can't relinquish the sudden attention and love from her family Soon Raquel's lie by omission snowballs and the wise cracking 40 something becomes a sought after figure on her sister's popular talk show elevating her illness to local rock star status Her mistaken diagnosis becomes the fated opportunity to fix the glaring problems in her life her stalled career as an artist her lackluster marriage her unappreciative children and her highly dysfunctional family And while she wants to tell the truth she's afraid to give it all up would her family go back to taking her for granted Would the donors rescind their checks if they think she was a fraud In the end it's up to Raquel to find her real cure an ending that befits the second chance she's been granted

Spur Of The Moment Theresa Alan, 2013-10-15 You Never Know When The Right Guy Will Come Along At least Ana Jacobs has a sense of humor Between the constant struggle with her incredible shrinking wardrobe and her ever expanding waistline her boss the Big Weasel and her current unrequited love she needs every laugh she can get Especially when it comes to Jason Hess He's the gorgeous green eyed reason she joined the improv comedy group Iron Pyrits and he's also one of her six housemates Jason is everything Ana has always wanted in a man he's sweet responsible funny and beautiful to look at In fact whenever she does the familiar zing inside seems to prove that he's the one But getting him to fall for her hasn't been easy Is it her size Her nerves onstage Or has she missed something that's been right in front of her all along Maybe the zing factor isn't the most important thing Maybe the kind of love that jumps out when you're least expecting it is Praise for the Novels of Theresa Alan A wonderful and fun read not to be missed Chicklitbooks.com on The Girls Global Guide to Guys Reminiscent of Bridget Jones's Diary and Divine Secrets of the Ya Ya Sisterhood Alan's is a novel to be savored like a good box of chocolates Booklist on Who You Know

Tart Jody Gehrman, 2012-02-15 Tart is my favorite word I love what it stirs in the mind the synesthesia of flavor mixing with colors reds oranges and apple greens gleaming with cheap temptation like Jolly Ranchers It's been a goal of my

twenties to live a tart life I want everything I do to have that sharpness that edge of almost too out there to be tasty but not quite Meet Claudia Bloom She's having one of those years First she steals her ex's VW bus and drives it from Austin to Santa Cruz where it promptly explodes Next she lets herself be rescued by Clay a cute DJ on a motorcycle falls hard and meets his somehow never mentioned estranged wife while searching frantically for her panties She tries to forget about Clay and focus on her tenuous new career teaching theater at UC Santa Cruz only to discover Clay's wife is her colleague and his mother is her boss Could it get any worse When her neo Deadhead cousin shows up with a horse size mutt Rex and the two of them take up residence on her couch Claudia's pretty sure things have hit rock bottom Set in the ber hip beach town of Santa Cruz this novel explores the rocky terrain of family secrets forbidden fruit and all things Tart Notes from the Backseat Jody Gehrman, 2012-06-15 I thought I knew everything about Gwen Matson We've been best friends since sophomore year at Analy High I know her to be smart and confident with a retro style that would give Jackie O a run for her money albeit a graceful sweat free run in kitten heels Not once did she ever display a rabid need to record every detail of her existence But never before had she gone on a weekend road trip with her amazing boyfriend Coop and his evil yoga toned best friend Devil Blonde Dannika Now she's writing to me like mad Not that I'm complaining I'm in gay Paris good meeting my future in laws bad so her tireless scribbling is keeping us both sane Usually a well thought out What Would Jackie Do helps Gwen pull it together But this crisis is beyond help I know Gwen and Coop are meant to be but can their love withstand Gwen's psycho jealousy and Dannika's twisted sabotage

Travel, Tourism, and Identity Gabriel R. Ricci, 2017-09-29 Travel Tourism and Identity addresses the psychological and social adjustments that occur when people make contact with others outside their social cultural or linguistic groups Whether such contact is the result of tourism seeking exile or relocating abroad the volume's contributors demonstrate how one's identity cultural assumptions and worldview can be brought into question In some cases the traveller finds that bridging the social and cultural gap between himself and the new society is fairly easy In other cases the traveller discovers that reorienting himself requires absorbing a new cultural history and traditions The contributors argue that making these adjustments will surely enhance the traveller's or tourist's experience otherwise the traveller or tourist will be at risk of becoming a marginalized figure one disconnected from the society that surrounds him This latest volume in the Culture Civilization series features a collection of essays on travel and tourism The essays cover a range of topics from historical travels to modern social identities They discuss ancient travels contemporary travels in Europe Africa and sustainable eco tourism and the politics of tourism Essays also address experiences of Grenada's Spice Island identity and the effects of globalization and migrations on personal identity Islands Magazine, 2005-01
