

Revealing highlights and insights from

The Palace File

- How Thieu helped to elect Nixon in 1968.
- How Nixon's opening to China in 1971 led to the end of the American commitment to South Vietnam as a cornerstone of U.S. global strategy.
- How the complex relationship between Nixon and Kissinger unfolded, trapped them in their secret negotiations with North Vietnam, and forced them to create peace no matter what they gave away, no matter what the cost to their ally.
- How and why Thieu's conduct of his administration was based on suspiciousness, fear of assassination, and loyalty from his cabinet and his aides at the sacrifice of competence; how tenaciously he held out against American pressure to sign the Paris Accords; and why he continued to believe, in spite of all the evidence, that American bombers and troops would return to save him and his country.
- Why Vietnamization failed, and how dependancy on the United States paralyzed Vietnamese efforts to develop their own policies, programs, and military strength.

Palace File:

The Palace File Gregory Tien Hung Nguyen, Jerrold L. Schecter, 1986 **The Palace File** Nguyen T. Hung, Jerrold L. Schecter, **The Indochinese Experience of the French and the Americans** Arthur J. Dommen, 2002-02-20 Dommen's book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930 39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen's telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won **A Bitter Peace** Pierre Asselin, 2003-10-15 Demonstrating the centrality of diplomacy in the Vietnam War Pierre Asselin traces the secret negotiations that led up to the Paris Agreement of 1973 which ended America's involvement but failed to bring peace in Vietnam Because the two sides signed the agreement under duress he argues the peace it promised was doomed to unravel By January of 1973 the continuing military stalemate and mounting difficulties on the domestic front forced both Washington and Hanoi to conclude that signing a vague and largely unworkable peace agreement was the most expedient way to achieve their most pressing objectives For Washington those objectives included the release of American prisoners military withdrawal without formal capitulation and preservation of American credibility in the Cold War Hanoi on the other hand sought to secure the removal of American forces protect the socialist revolution in the North and improve the prospects for reunification with the South Using newly available archival sources from Vietnam the United States and Canada Asselin reconstructs the secret negotiations highlighting the creative roles of Hanoi the National Liberation Front and Saigon in constructing the final settlement *President Nixon* Richard Reeves, 2002-10-10 **PRESIDENT NIXON** shows a man alone in a White House ruled by secrets and lies trying to impose old values at home and new balances of power everywhere in the world Reeves proves

that the Watergate scandal was no aberration in an administration foreshadowed by a series of successful uses of national security to cover coups burglaries lies the abandonment of America's allies and even murder Reeves portrays a man of vision and iron will who created used and was used by a small cast of hard ambitious men who formed a poisonous circle around their insecure leader Alone Nixon challenged and changed the world's political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre This account of Nixon's stewardship will stand as the balanced authoritative portrait of an astonishing president and his ruined presidency

The Presidency of Gerald R. Ford John Robert Greene,1995 In addition Greene details Ford's rise to prominence within the Republican party chronicles the president's problematic relations with his staff the new Democratic Congress and Ronald Reagan sheds new light on the selection and performance of Vice President Nelson Rockefeller offers new insights into the election of 1976 and provides the first in depth look at Ford's clemency program for Vietnam era draft evaders *An Enormous Crime* Bill Hendon,Elizabeth A. Stewart,2008-10-14 THE NEW YORK TIMES BESTSELLER *An Enormous Crime* is nothing less than shocking Based on thousands of pages of public and previously classified documents it makes an utterly convincing case that when the American government withdrew its forces from Vietnam it knowingly abandoned hundreds of POWs to their fate The product of twenty five years of research by former Congressman Bill Hendon and attorney Elizabeth A Stewart this book brilliantly reveals the reasons why these American soldiers and airmen were held back by the North Vietnamese at Operation Homecoming in 1973 what these brave men have endured and how administration after administration of their own government has turned its back on them This authoritative expos is based on open source documents and reports and thousands of declassified intelligence reports and satellite imagery as well as author interviews and personal experience *An Enormous Crime* is a singular work telling a story unlike any other in our history ugly harrowing and true Chinese Chess Z. Volpicelli,1889 **Vietnam** John Prados,2009 The first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts America The Templar Manual Freemasons. Illinois. Knights Templars. Grand Commandery,1880 **Abandoning Vietnam** James H. Willbanks,2004 Drawing upon both archival research and his own military experiences in Vietnam Willbanks focuses on military operations from 1969 through 1975 He begins by analyzing the events that led to a change in U S strategy in 1969 and the subsequent initiation of Vietnamization He then critiques the implementation of that policy and the combat performance of the South Vietnamese army ARVN which finally collapsed in 1975 *The Vietnam War Files* Jeffrey P. Kimball,2004 The new evidence uncovers a number of behind the scenes plays such as Nixon's secret nuclear alert of October 1969 and sheds more light on Nixon's goals in Vietnam and his and Kissinger's strategies of Vietnamization the China card and triangular diplomacy The excerpted documents also reveal significant new information about the purposes of the linebacker bombings Nixon's manipulation of the POW issue and

the conduct of the secret negotiations in Paris as well as other key topics events and issues All of these are effectively framed by Kimball whose introductions to each document provide historical context Journal of the North China Branch of the Royal Asiatic Society North China Branch of the Royal Asiatic Society,1888 Contains list of members **The Templar Manual** Freemasons. United States. Knights templars. Grand Encampment,1881 Web Publishers 3D and Animation Design Guide for Macintosh Mary Jo Fahey,1996 You ll learn how a network consulting firm is using the Palace as a business conferencing tool You ll also learn how to use IPTSCRAE the scripting language that comes with the Palace so that you can add gags and animation to your 3D Palace scenes The Presidency of Richard Nixon Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos **Cold War Patriot and Statesman** Hofstra University,1993-06-30 The only apparent consensus about the Nixon Presidency is that his accomplishments in the foreign policy area far outshadowed those in the domestic arena The advances for which he was responsible in particular the opening to China brought the most significant improvement in foreign relations among the great powers in decades The Nixon diplomacy worked while many of his domestic programs failed This was true the editors of this Hofstra sponsored volume maintain because there was more of a sense of realism and caution in his dealings with foreign governments and a willingness to compromise and accommodate their interests a tolerance he often lacked in the domestic area This volume outlines the main components of the Nixon foreign policy beginning with the significant effort to bring China into the world community The manner in which the Vietnam war was ended is examined as are the evolution of American policy in the Middle East and the efforts at detente With essays and observations from scholars and participants in the making of that policy this volume is significant reading for all students of American foreign policy and the presidency Annual Report of the Bureau of Labor and Industrial Statistics Michigan. Bureau of Labor and Industrial Statistics,1908 Reports for 1897 1908 include the Report of inspection of factories 5th 16th *The Japan Daily Mail* ,1900 **Notes on social life. Notes on Parliament. Pageants. Miscellanies. Index** George Washburn Smalley,1891
