Computer Science Success for Class 6 Rashmi Bansal, Sayan Banerjee, Goyal Brothers Prakashan, 2019-04-01 The Computer Science Success series is based on Windows 10 and Office 2016. This series is specially designed for providing a vast theoretical and practical knowledge of computers to the students. It is the most comprehensive series in which activity and tool based approach is incorporated. Each chapter in the book begins with an engaging introduction followed by an activity based approach to learning which is supported with an ample number of diagrams, pictures and relevant screenshots. The exercises in each chapter have sufficient practical and activity based questions. Lots of interesting software like Office 2016 like Word, Excel, PowerPoint and Access, Adobe Photoshop CS6, Adobe Flash Professional CS6, QBASIC, Scratch and HTML have been taught in these books. A lot about the Internet, some knowledge about Cloud Computing, C and Python are also covered. Core features of the Computer Science Success series for Classes 6 to 8 are: Learning Objectives: Describes the goals required to be achieved by the end of the chapter; Chapter Contents: Concepts are explained to strengthen the knowledge base of the students; Know More: Gives extra and useful information on the topic being covered; Fact Includes: historical facts about the topic being covered; Top Tips: Gives a shortcut method of the topic being covered; Activity: Encourages the students to explore some real life use of the topic being covered; Summary: Gives a brief summary of the topics being taught in the chapter; Exercises: Includes a variety of questions to evaluate the theoretical knowledge of the students; Activity Zone: Includes the following activities: Puzzle: Includes crosswords or mazes to focus on some important terms included in the chapter; Lab Session: Gives instructions to the students to perform various tasks in the lab; Group Discussion: Encourages the students to have discussions on various topics; Project Work: Assigns various tasks to the students to apply the concepts already learned. Goyal Brothers Prakashan Sport Finance Gil Fried, Timothy D. DeSchriver, Michael Mondello, 2024-03-26 The burgeoning global sport industry is a 500 billion business with no signs of slowing down. For the upper undergraduate and graduate sport management student exhibiting a penchant for finances and a passion for sports, the field of sport finance presents tremendous career opportunities. No other textbook connects financial principles with real world sport finance strategies as effectively as Sport Finance Fifth Edition. With HKPropel Access, Emphasizing a more practical approach, the fifth edition goes beyond the what and how of sport finance and dives deeper into the why, the reasoning behind the principles of sport finance, providing students with an even more comprehensive perspective on what drives the financial success or failure of any sport entity. The text is organized into five areas focused on the hard skills tomorrow's sport financiers must master to perform their role: increasing revenues and decreasing expenses, developing budgets, understanding financial statements and ratios, obtaining funding and managing cash, and building a financial strategy. Each section features an insightful introduction by a renowned industry professional providing a real world perspective that is sure to pique readers' interest. Chapters addressing revenues and expenses include budgets from the sporting goods industry.
