Applied Sport Management Skills Robert N. Lussier, David C. Kimball, 2019-04-17 Applied Sport Management Skills Third Edition With Web Study Guide takes a unique and effective approach to teaching students how to become strong leaders and managers in the world of sport. Organized around the central management functions planning, organizing, leading, and controlling, this third edition addresses the Common Professional Component topics outlined by the Commission on Sport Management Accreditation (COSMA). The text explains important concepts but then takes the student beyond theories to applying those management principles and developing management skills. This practical how-to approach, accompanied by unmatched learning tools, helps students put concepts into action as sport managers developing the skills of creative problem solving and strategic planning and developing the ability to lead, organize, and delegate. Applied Sport Management Skills Third Edition has been heavily revised and touts a full color format with 1,300 new references. Content updates keep pace with industry trends including deeper discussions of legal liability, risk management, and equipment management, servant leadership, sport culture, and social media. Particularly valuable are the special elements and practical applications that offer students real opportunities to develop their skills. Features such as Reviewing Their Game Plan and Sport Management Professionals Work new to this edition provide a cohesive thread to keep students focused on how sport managers use the concepts on the job. Applying the Concept and Time Out sidebars offer opportunities for critical thinking by having the student think about how specific concepts relate to a sport situation or to the student's actual experiences in sports including part-time jobs, full-time jobs, internships, and volunteer work. Self-Assessment exercises offer insight into students' strengths and weaknesses and how to address shortcomings. An enhanced web study guide is integrated with the text to facilitate a more interactive setting with which to complete many of the learning activities. Several of the exercises require students to visit a sport organization and answer questions to gain a better understanding of sport management. Skill Builder Exercises present a variety of scenarios and provide step-by-step guidance on handling day-to-day situations such as setting priorities, conducting job interviews, handling conflict, and coaching employees to better performance. Sports and Social Media Exercises offer Internet-based activities that expose students to the role of social media in managing a sport organization. Students are required to use popular social media sites such as Facebook, Twitter, and LinkedIn and visit sport websites. Game Plan for Starting a Sport Business cases put students in the driver's seat and ask them to perform managerial activities such as developing an organization structure and formulating ideas on how to lead their employees. The web study guide allows students to complete most of the learning activities online or download them and then submit them to the instructor. Instructors will also have access to a suite of ancillaries, an instructor guide, test package, and presentation package. Applied Sport Management Skills Third Edition is a critical resource that provides students with a thorough understanding of the management principles used in sport organizations while also helping students develop their practical skills. Students will

appreciate the opportunity to begin building a solid foundation for a fulfilling career in sport management
