Downes, Jordan Elliot Goodman, 1985 **The Ultimate Guide to Financial Freedom** Robert C Augustine, 2021-03-31 In the Ultimate Guide to Personal Finance I want to not only show you how to break the chains of debt but also show you how to turn all those payments into wealth. It drives me crazy when I think about all the debt most of us carry. The ultimate goal is to teach you how to start making money work for you. We go to school to learn a profession so we can work for money. But we never go beyond that way of thinking. Many fall into the payment trap and all we do is make the banks rich and never live totally free. That is the problem with education today they don't want you to know that there is a way to make money work for you rather than fund their coffers. This book will guide you to the ultimate financial knowledge that you can use to make money work for you. In this book you will learn How to get smarter with your money. What you can do to protect yourself in any economy. How to build a successful financial plan. How to make the financial system work for you instead of the banks. Practical applicable knowledge of finance and economics. How to start your journey to financial success and freedom. Easy retirement planning. Over 35 Side Gigs to build your wealth starting at 5 a day. I passionately want to pass on what I have learned to everyone I can.

Hidden Coins Edson Jhoel Marrufo Toro, 2025-05-27 Hidden Coin is the ultimate personal finance guide that is easiest to read and apply in your life. Through this book you will be able to learn about how the global economic system works that is designed to keep you ignorant about money. Governments from school to retirement will never provide you with financial education because they go against their interests. Do not settle for being formidable in your job or trade because if you do not know the fundamental rules of money you are condemned to be one more slave of the system for this reason you must educate yourself financially on your own it is the only way for you to stop being one more sheep of the economic flock. Hidden Coin gives you a wide range of knowledge about the financial monetary and tax system financial education in the family your 20s 30s and 40s in your finances and the dilemmas you must face in your life about money for example First car new or used Buying or renting a home AFP Vs Own Retirement Fund Do I do a Master's Degree or Invest in Business Should I invest in Bitcoin How much money should I have in the present according to my income Finally I share experiences and tools that can help you improve your financial culture by addressing topics such as The importance of choosing your partner well from a financial point of view Winner mentality Time and money Use of accounting in your personal finances Create revenue streams The best savings and investment options among others
