

# TRAUMA HEALING 2025 ADVANCED EQUIPPING SESSION

## ABOUT THE SESSION

This session, the second of two seminars, continues the equipping process for facilitators in Bible-based Trauma Healing using the book *Healing the Wounds of Trauma: How the Church Can Help* and its associated programme model.

This proven approach uses applied Scripture and some of the best mental health principles to address spiritual and emotional wounds caused by trauma of war, ethnic conflicts, natural disasters, car accidents, abuse, and similar events. The book has been translated and taught in over 100 countries with more than 194 language groups in Africa, Asia, the Pacific, and the Americas.

## LEARNING OBJECTIVES

This advanced session hones the skills acquired at the initial session and during the practicum.

By the end of this session:
