a writer who publishes under someone else's name with the consent of both parties. Its legal and writers are available to provide the service. The straightest route to ebook profits is in the nonfiction ebook market. Fiction is making a story journalism is finding one. That's the big difference. When I am writing a book I am usually dealing with events or ideas that have already arranged themselves in memory. With nonfiction you need to find your prospective before time has arranged it. The trick is to write about something as if you've been thinking about it for 10 years. Larry Bussey resides in Las Vegas, Nevada. He's an expert on Internet Marketing and Ghostwriting. He has successfully penned numerous books as a ghostwriter. Larry Bussey makes it his business to be aware of the latest developments in his field as a Pro Internet Marketer, Blogger, Social Media Marketer, Business Expert, Social Marketing Trainer, and Consultant.
