Music Education in Africa Emily Achieng' Akuno,2019-04-01 This book explores the music of Africa and its experience in modern education offering music education analyses from African perspectives The collection assembles insights from around Africa to bring African and non African scholars into the world of music education policy and assessment as played out across the continent The music of Africa presents multiple avenues for the understanding of the reality of life from a cultural perspective The teaching and learning of this music closely follows its practice the latter involving a combination of artistic expressions With international interest in world music there is need to engage with concepts and processes of this music The volume offers new research from culture bearers scholars and educators rooted in practices that provide deeper perceptions of the cultural expression of music With sections focussing on Concepts in Musical Arts Musical Arts Processes and Music Education Practice it captures and documents the concept of musical arts from an African experiential perspective Articulating the processes of musical arts and their implications for teaching and learning in both African and international learning contexts it presents a balanced view of music as a phenomenon and generates material for discussion A valuable resource for those seeking insight into aspects of music practice in Africa this book will appeal to scholars of Music Education Ethnomusicology Community Music African Studies and African Music

Asian Perspectives on Teacher Education Shin'ichi Suzuki,Edward R. Howe,2013-09-13 Research into teacher education is dominated by Anglophone literature with the inevitable result that teacher education in non English speaking regions of the world largely remains unexamined This book fills the gap in the existing literature and comprises twelve invited contributions from an international panel of educationists To provide the reader with a clear structure the book offers a detailed introduction and afterword which brings together the various themes examined in each chapter The contributions offer perspectives on teacher education in the Asian region perspectives which until now have been missing from contemporary debate on teacher education Presenting research from Australia Japan the USA the People's Republic of China the Republic of Korea and Vietnam this book examines the varied situations teacher educators experience in their own countries in so doing the researchers identify resonances and dissonances in comparison with the dominant

Anglophone research literature on the same subjects This book is an important contribution to the comparative study of teacher education in the first decade of the twenty first century giving a voice to an important sector of the international community of teacher educators This book was published as a special issue of Journal of Education for Teaching International research and pedagogy **Policy and the Political Life of Music Education** Patrick Schmidt,Richard Colwell,2017-02-01

Policy and the Political Life of Music Education is the first book of its kind in the field of Music Education It offers a far reaching and innovative outlook bringing together expert voices who provide a multifaceted and global set of insights into a critical arena for action today policy On one hand the book helps the novice to make sense of what policy is how it functions and how it is discussed in various parts of the world while on the other it offers the experienced educator a set of critically written analyses that outline the state of the play of music education policy thinking As policy participation remains largely underexplored in music education the book helps to clarify to teachers how policy thinking does shape educational action and directly influences the nature extent and impact of our programs The goal is to help readers understand the complexities of policy and to become better skilled in how to think speak and act in policy terms The book provides new ways to understand and therefore imagine policy approximating it to the lives of educators and highlighting its importance and impact This is an essential read for anyone interested in change and how to better understand decision making within music and education Finally this book while aimed at the growth of music educators knowledge base regarding policy also fosters open thinking regarding policy as subject helping educators straddling arts and education to recognize that policy thinking can offer creative designs for educational change
