Corporate Social Investing Curt Weeden, 1998-09-01 Details a practical 10 step plan that can create exciting new relationships between businesses and nonprofits. Weeden's plan could generate an additional 3 billion a year in corporate support for vital causes improving quality of life for millions while at the same time bolstering corporate profits. Offers essential advice for businesses planning their corporate social investing strategies and nonprofits seeking corporate support. Corporate philanthropy is on its way out. A new concept called corporate social investing which requires that every commitment of money and or product equipment land which a company makes must have a significant business reason is taking its place. The transition has implications to every business and nonprofit organization in America. This book provides the strategic plan for making the transition to corporate social investing. By following the practical steps described here businesses and nonprofits can forge creative alliances that can boost corporate profits while at the same time providing added resources for schools colleges cultural organizations civic groups and other important charities. Weeden's breakthrough plan based on his innovative concept of corporate social investing has the potential to dramatically change the way businesses and nonprofits interact. If widely implemented it could substantially increase corporate support for nonprofits turning the tide against cutbacks offering profound benefits to businesses and revitalizing the essential services nonprofits provide.

The Complete Direct Investing Handbook Kirby Rosplock, 2017-04-28 The practical guide to direct investing strategies and best practices. The Complete Direct Investing Handbook provides comprehensive guidelines principles and practical perspectives on this increasingly attractive private equity investment strategy. Interviews with leading family office investors qualified private equity buyers and top direct investing advisors provide essential insights and attention to the nuanced processes of direct investing. The book is a hands on resource for family offices and those investors interested in generating returns through private company ownership to be more effective in creating returns in a complex market. Direct investing best practices are explored in depth with guidance on strategy and the evaluation and assessment of various investment opportunities. The process begins with a codified and specific investment goal and a robust strategy tailored to the investor's individual needs. Useful insight on narrowing the field helps investors select the appropriate opportunities to meet their investment goals and practical tools help streamline the process of capital deployment and in turn providing more opportunities to achieve desired returns. Despite the growing interest in direct investing there is little public information available to investors and there is a lack of transparency into practical standards. This book bridges the gap between strategy and execution with comprehensive guidance and real world insights. Define and craft a focused investment thesis and appropriate timeline specific to your needs. Identify the right type size duration and risk profile aligned to your investment objectives. Gain perspective on real world direct investing and a deeper understanding of the risks and rewards. Better understand best practices and institutional investment rigor to develop bespoke processes and policies that create better

outcomes for independent investors Historically extraordinary wealth has been created through equity in privately held enterprise Today family offices and direct investors are looking more and more toward large capital deployment in early stage and growth oriented private equity investments but are constrained by a lack of informed established practices The Complete Direct Investing Handbook provides the much needed guidance and tools that can improve direct investment outcomes

The Little Book of Investing Like the Pros Joshua Pearl,Joshua Rosenbaum,2020-04-07 As you have probably noticed there are quite a few investing books out there Many of them were written by some of the world's greatest investors So why should you read our book Stock investing is more prevalent than ever whether directly or indirectly through brokerage accounts exchange traded funds mutual funds or retirement plans Despite this the vast majority of individual investors have no training on how to pick stocks And until now there hasn't been a truly accessible easy to understand resource available to help them The Little Book of Investing Like the Pros was written to fill this void We believe the simplicity and accessibility of our stock picking framework is truly unique Using real world examples and actual Wall Street models used by the pros we teach you how to pick stocks in a highly accessible step by step manner Our goal is straightforward to impart the skills necessary for finding high quality stocks while protecting your portfolio with risk management best practices Our practical approach is designed to help demystify the investing process which can be intimidating This training will help set you apart from others who are largely flying blind Pilots require extensive training before receiving a license Doctors must graduate medical school followed by a multi year residency Even those providing professional investment advice require certification But anyone can buy a stock without any training whatsoever While buying stocks on a hunch and a prayer may not endanger your life it can certainly put your finances at risk
