**Caledonia Dreaming** John Kv Eunson, 2012-03-01 So what have the Scots ever done for the world then Well most people will know about John Logie Baird inventor of television Alexander Graham Bell the telephone and Alexander Fleming penicillin But what about Alexander Cummings from Edinburgh It would be hard to imagine getting through the day without using his invention the flushing toilet Or how about William Cullen from Glasgow There would be a lot of sour milk and warm beer without the first man to demonstrate artificial refrigeration And then there s Alexander Bain from Caithness Can anyone really imagine a world without his invention the fax machine The list goes on and on Janet Keillor from Dundee marmalade James Clerk Maxwell from Edinburgh radio waves John Reith from Stonehaven the BBC James Black from Uddingston beta blockers James Bowman Lindsay from Angus light bulbs James Goodfellow from Paisley the ATM Dugald Clerk from Glasgow the two stroke engine Alexander McRae from the Kyle of Lochalsh speedos James Blyth from Kincardineshire the first electricity producing wind turbine Caledonia Dreaming tells the often frankly unbelievable stories behind these discoveries and looks at how they along with the writers philosophers philanthropists and bankers of Scotland have left their unique indelible mark on the modern world

**Freedom Inc.: Gendered Capitalism in New Indian Literature and Culture** Mukti Lakhi Mangharam, 2023-06-15 While globalization is often credited with the eradication of traditional constraints tied to gender and caste in reality the opening up of the Indian economy in the 1990s has led to a decline in freedom for many female Dalit and lower class Indians This book explores the contraction of what it means to be free in post liberalization India examining how global capitalism has exacerbated existing inequalities based on traditional femininities and masculinities while also creating new hierarchies Freedom Inc argues that post 1990s literature and culture frequently represents and reinforces the equation of free market capitalism with individual

freedom within the new idea of India However many texts often also challenge this logic by pointing to more expansive horizons of autonomy for the gendered self Through readings of texts as diverse as Dalit women s life writing pop fiction realist novels self help regional film and Netflix TV shows Mangharam investigates how notions like free trade entrepreneurship and self help are experienced embodied and challenged by disadvantaged peoples and by women differently than men In the process Freedom Inc explores how different literary forms illuminate alternative and buried pathways to fuller freedoms
