

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground. Scattered around are various potted plants, including green leafy herbs like basil and mint, and some succulents. There are also gardening tools: a trowel with a wooden handle and a metal head, a fork, and a small shovel. A small pile of dark soil is visible. The overall scene is well-lit, with the plants and tools clearly visible against the dark background.
