Albert Brabant, 1968 *Beyond the Impasse* Institute for Research on Public Policy, 1998 Efforts to reform the Canadian constitution have only resulted in a serious impasse fostered by demands for change from Quebec and reticence from English Canada. This book looks at the potential for achieving reconciliation through a new partnership between Quebec and Canada in a series of papers that examine the stakes for both Canada and Quebec in opting for a modified relationship that is neither the status quo nor complete separation. Two papers in part 1 lay the conceptual groundwork concerning the constituent elements of partnership. Papers in part 2 deal with the economic union in the context of a renewed partnership. Four papers in part 3 examine issues concerning rights recognition and citizenship in a Quebec Canada partnership. Part 5 broadens the discussion to the international arena and includes a comparative international scan of partnership models. The final part distils the two editors separate conclusions on how to move beyond the impasse based on the studies presented
