

Oral Cancer and the Tragedy of Thinking Inside the Box

Liviu Steier

Editorial

Cancer screening and its execution are sadly in a great dilemma due to inconclusive, contradictory research [1].

Analyzing The National Cancer Data Base, Fujiwara et al. (2016) concluded that oral cancer treatment delay significantly impacts overall survival [2]. On December 26th, 2022, the following statement could be identified on the website of the National Cancer Institute: "There is inadequate evidence to establish whether screening would result in a decrease in mortality from the oral cavity and nasopharyngeal cancers" [3].

One cannot ignore the contradiction created by other groups [4], concluding that "delays of 4-6 weeks seem acceptable" while praising the value of AI to reduce diagnostic delays [5]. Head and neck cancer is currently ranked by the World Health Organization as the eighth most spread tumor worldwide, affecting the oral cavity mainly. Questionable treatment success and inefficiency are associated with advanced disease estate, while early disease diagnosis leads to healing and favorable outcomes. Clinical practitioners, specialists, healthcare insurance companies, and in-charge authorities controversially reject oral cancer screening disqualifying its value due to controversial provided evidence, low valuation of available protocols, economic priorities, etc. Not using early cancer identification dramatically influences treatment outcomes and survival rates [6]. Multiple calls to action have been and continue to be launched regarding the developing and practical use of advanced technology with high sensitivity and specificity. The author intends to address the reasons behind this questionable approach and to offer a solution considering Bouaoud et al.'s call to action (2022) [7]. It is scientifically agreed that mucosal changes may lead to Oral Squamous Cell Carcinoma. Point of care diagnosis of oral potentially malignant disorders (OPMD) is the central goal of early oral cancer screening. Science documents the 5-year survival to be 75% for stage I, dropping to 30% at stage IV [8,9]. The value of early detection is, at this moment, misunderstood and misvalued by those in charge. The currently-in-use recommended

Oral Tragedy

Jicheng Xie

Oral Tragedy:

Oral Tragedy Dorothy Lusk, 1988 *Diplomats at War* Charles Trueheart, 2024-02-13 For two Americans in Saigon in 1963 the personal and the political combine to spark the drama of a lifetime Before it spread into a tragic war that defined a generation the conflict in Vietnam smoldered as a guerrilla insurgency and a diplomatic nightmare Into this volatile country stepped Frederick Fritz Nolting the US ambassador and his second in command William Bill Trueheart immortalized in David Halberstam's landmark work *The Best and the Brightest* and accidental players in a pivotal juncture in modern US history *Diplomats at War* is a personal memoir by former Washington Post reporter Charles Trueheart Bill's son and Nolting's godson who grew up amid the events that traumatized two families and an entire nation The book embeds the reader at the US embassy and dissects the fateful rift between Nolting and Trueheart over their divergent assessments of the South Vietnamese regime under Ngo Dinh Diem who would ultimately be assassinated in a coup backed by the United States Charles Trueheart retells the story of the United States headlong plunge into war from an entirely new vantage point that of a son piecing together how his father and godfather participated in and were deeply damaged by this historic flashpoint Their critical rupture which also destroyed their close friendship served as a dramatic preface to the United States disastrous involvement in the Vietnam conflict Winner of the American Academy of Diplomacy Douglas Dillon Award **The Only Poetry That Matters** Clint Burnham, 2012-05-15 A thought provoking history of the internationally renowned language poetry group the Kootenay School of Writing *The Princeton Encyclopedia of Poetry and Poetics* Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of *The Princeton encyclopedia of poetry and poetics* Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993 *LBJ* Randall Woods, 2007-11-01 For almost forty years the verdict on Lyndon Johnson's presidency has been reduced to a handful of harsh words tragedy betrayal lost opportunity Initially historians focused on the Vietnam War and how that conflict derailed liberalism tarnished the nation's reputation wasted lives and eventually even led to Watergate More recently Johnson has been excoriated in more personal terms as a player of political hardball as the product of machine style corruption as an opportunist as a cruel husband and boss In *LBJ* Randall B Woods a distinguished historian of twentieth century America and a son of Texas offers a wholesale reappraisal and sweeping authoritative account of the LBJ who has been lost under this baleful gaze Woods understands the political landscape of the American South and the differences between personal failings and political principles Thanks to the release of thousands of hours of LBJ's White House tapes along with the declassification of tens of thousands of documents and interviews with key aides Woods's *LBJ* brings crucial new evidence to bear on many key aspects of the man and the politician As private conversations reveal Johnson intentionally exaggerated his stereotype in many interviews for reasons of both tactics and contempt It is time to set the record straight Woods's Johnson is a flawed but deeply sympathetic character He was born into

a family with a liberal Texas tradition of public service and a strong belief in the public good He worked tirelessly but not just for the sake of ambition His approach to reform at home and to fighting fascism and communism abroad was motivated by the same ideals and based on a liberal Christian tradition that is often forgotten today Vietnam turned into a tragedy but it was part and parcel of Johnson s commitment to civil rights and antipoverty reforms LBJ offers a fascinating new history of the political upheavals of the 1960s and a new way to understand the last great burst of liberalism in America Johnson was a magnetic character and his life was filled with fascinating stories and scenes Through insights gained from interviews with his longtime secretary his Secret Service detail and his closest aides and confidants Woods brings Johnson before us in vivid and unforgettable color

The Fate of Cities Roger Biles,2011 The first major comprehensive treatment of urban revitalization in 35 years Examines the federal government s relationship with urban America from the Truman through the Clinton administrations Provides a telling critique of how in the long run government turned a blind eye to the fate of cities

Southern Medical Journal ,1918 **Harvard Studies in Classical Philology** ,1930 **The President as Leader** Erwin C. Hargrove,1998 Hargrove argues that political leadership must contain a moral element if it is to be fully effective He suggests a model with which to analyze compare and evaluate political leaders and then assesses the presidencies of Franklin Roosevelt Lyndon Johnson and Ronald Reagan according to the model s normative implications Jacket **The**

Johnson Years: LBJ at home and abroad Robert A. Divine,1987 **Open Letter** Frank Davey,1998 **Report of the Secretary for Public Instruction ...** Queensland. Department of Public Instruction,1922 A Thorough Study of Plot

Inconsistencies in "Young Sheldon" and "The Big Bang Theory" Harry Milton Hayford,2025-12-01 Academic Paper from the year 2025 in the subject American Studies Literature language English abstract The Big Bang Theory is one of the most popular shows to have aired on American television and the world at large A prequel Young Sheldon was introduced later on This study judges the prequel as the expository parts of the work that flows into the sequel The Big Bang Theory Then using Freytag s theory of plot analyses the entire plot of the franchise The research looks at the main character Sheldon and his family s character portrayals While the original series frequently presents Sheldon Cooper s childhood as marked by bullying social isolation and familial dysfunction Young Sheldon offers a contrasting depiction of a supportive family meaningful friendships and a largely harmonious upbringing Guided by Freytag s theory of plot the research employed a quantitative approach systematically analysing all episodes from both series to identify disparities The findings reveal numerous contradictions concerning Sheldon s childhood experiences parental relationships sibling dynamics extended family educational milestones personal habits and character traits For instance claims in The Big Bang Theory about Sheldon s bullying his father s irresponsibility and his early academic achievements are inconsistent with the events portrayed in Young Sheldon Other discrepancies include portrayals of Meemaw Missy and Sheldon s early interactions with pets public speaking sports and mentorship These inconsistencies disrupt narrative causality highlighting a divergence between adult

recollections and prequel exposition The study concludes that while Young Sheldon reconstructs a more emotionally coherent and realistic portrayal of Sheldon s early life it challenges the continuity and reliability of the original series illustrating the complexities of adapting prequels within established fictional universes *Oralità* Bruno Gentili,Giuseppe Paioni,1985

Report of the Minister for Education and Cultural Activities Queensland. Department of Education,1923 *Dental Summary; Australian Edition* ,1925 **Problems of the Present South** Edgar Gardner Murphy,1909 Mnemai, Classical Studies in Memory of Karl K. Hulley Harold D. Evjen,1984 **Oral Hygiene** ,1919 **The Journal of Education** Thomas Williams Bicknell,Albert Edward Winship,Anson Wood Belding,1905

Yeah, reviewing a book **Oral Tragedy** could mount up your close friends listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have astonishing points.

Comprehending as competently as understanding even more than new will meet the expense of each success. bordering to, the revelation as skillfully as perception of this Oral Tragedy can be taken as with ease as picked to act.
