Oral Vices:

Feeding and Care of the Horse Lon D. Lewis, 2013-07-12 This is the concise easy to use version of Dr Lewis s Equine Clinical Nutrition Feeding and Care It includes a full color section identifying toxic plants and provides practical information on the diversified effects of different nutrients feeds and supplements on a horse s athletic performance reproduction growth hooves appetite behavior and disease The book can help prevent common but expensive problems in horses of all ages

Atypical Deglutition Treatment Antonio Amitrano, Francesco Benso, 2025-11-01 The book illustrates the most recent acquisitions in the field of motor learning and their applications in the treatment of atypical deglutition Since weaning the variation in foods and methods of food intake induces a modification of tongue movement patterns that progressively leads to the transition from infant to adult swallowing In some children however this transition does not occur resulting in the onset of atypical swallowing This volume presents an innovative method for treating this disorder the ABAED method Amitrano Benso Attention Executive and Swallowing that was developed on the basis of the latest findings in motor learning In ABAED the intervention for atypical swallowing is not directed towards re educating orofacial musculature but towards the brain focusing on learning the correct motor behaviour of adult swallowing This is facilitated through conscious maneuvers that require significant executive attention and working memory resources This book will be of interest to professionals and experts in the fields of motor learning speech language pathology and dysphagia
