These proceedings present the results of the 11th International Colloquium on Gregory of Nyssa held in T bingen in 2008 The Trinitarian thought of Gregory deserves special attention because of its importance for the ending of the Trinitarian controversy in the late fourth century paving the way for the widely accepted Trinitarian theology in the fifth century This volume which does not include Contra Eunomium offers a contribution to the research on Gregory s Trinitarian theology as it is present notably in his so called minor treatises It provides a German translation of Ad Eustathium Ad Graecos Ad Ablabium Ad Simplicium Adversus Macedonianos and De deitate filii Detailed analysis of each treatise is accompanied by supporting studies on related theological and philosophical themes followed by contributions which take into consideration the link between Gregory s Trinitarian thought and the christological question In illud tunc et ipse filius the anti Apollinarist works

God Visible Brian E. Daley,2018-01-19 God Visible Patristic Christology Reconsidered considers the early development and reception of what is today the most widely professed Christian conception of Christ The development of this doctrine admits of wide variations in expression understanding and interpretation that are as striking in authors of the first millennium as they are among modern writers The seven early ecumenical councils and their dogmatic formulations were crucial facilitators in defining the shape of this study Focusing primarily on the declaration of the Council of Chalcedon in AD 451 Brian E Daley argues that previous assessments that Christ was one Person in two natures the Divine of the same substance as the Father and the human of the same substance as us can sometimes be excessively narrow even distorting our understanding of Christ s person Daley urges us to look beyond the Chalcedonian formula alone and to consider what some major Church Fathers from Irenaeus to John Damascene say about the person of Christ **Dimensions of Baptism** Stanley E. Porter,Anthony R. Cross,2002-12-01 This book brings together work by J Ramsey Michaels Joel Green Howard Marshall Bruce Chilton Craig Evans and the editors as well as several others The first section covers baptism in the New Testament including the meaning of the word baptize the baptism of John Paul s own baptism and his theology of it and baptisms in John

2 Anthony R. Cross, Philip E. Thompson, 2009-04-01 This second collection of essays exploring various dimensions of sacramental theology from a Baptist perspective includes biblical historical and theological studies from scholars from around the world Subjects covered are sacraments and sacramentality sacrament and sacrifice in Hebrews the sacrament of fearful intimacy the church as sacrament baptism and the Lord's supper for post Christendom Baptists Pauline baptism and Roman Insulae open communion for the contemporary church penance sacred space recovering a biblical understanding of baptismal regeneration the Lord's supper and the spirituality of C H Spurgeon Southern Baptist eucharistic sacramentalism and soul competency re thinking ex opere operato sacramentalism the sacramentality of the word in Gregory of Nyssa and searching for a common theology of baptism between Baptists and the Churches of Christ This volume does not speak the final word on the subject but is a step along the way toward the recovery and reconstruction of a robust sacramentalism in a Baptist modality [Plato in the Third Sophistic](#) Ryan C. Fowler, 2014-10-09 *Plato in the Third Sophistic* examines the influence and impact of Plato and Platonism in the era of Byzantine and Christian rhetoric The volume brings together specially commissioned articles from leading scholars of late antique philosophy and literature Their examinations show that Plato is the single most important and influential literary figure used to frame the literature of this time *Plato in the Third Sophistic* will help scholars and students from a wide range of disciplines to better understand the development of Christian literature in this era as an essential link in the history of Platonism as well as that of Christianity [A History of the Church to A.
