

Oratorio In Modena

D Siedentop

Oratorio In Modena:

The Oratorio in Modena Victor Crowther, 1992 In the late seventeenth century the oratorio in Italy was in a state of flux. Ostensibly religious in character it was becoming increasingly prone to operatic influence and subject to political pressure from wealth patrons. One notable patron was Francesco II d'Este, duke of Modena from 1674 to 1694, who was a generous sponsor of the oratorio and an avid collector of musical scores. This book is the first to study the oratorio genre as it pertained to Modena and to offer a critical survey of Francesco II's oratorio collection, setting it within the context of the duchy's uneasy political relationships with Rome, Paris, and London. It describes the development of the oratorio tradition in Modena under the direction of successive court maestri, dealing with the range of works and singling out specific masterpieces by Ferrari, Stradella, de Grandis, Scarlatti, Colonna, Gianettini, Palermino, Vitali, Pistocchi, and Vinacesi, for detailed examination. Since few critical editions of these works are available, these discussions are amplified by many quotations from libretti and scores. The book also covers general historical matters that had an effect upon the oratorio in Modena, for example the renovation of the city and its institutions in the early seventeenth century, the development of the Cappella Ducale, the religious life of the city and court, and the political alliances which were crucial to the security and prestige of the duchy.

Bolognese Instrumental Music, 1660-1710 Gregory Richard Barnett, 2008 This book, the first of its kind, is a study of Bolognese instrumental music during the height of the city's musical activity in the late seventeenth century. The period marked by a rapid expansion of the cappella musicale of the principal city church, San Petronio, by the founding of the Accademia Filarmonica, and by increasingly lavish patronage of musical events, witnessed the proliferation of repertory for instrumental ensembles. This book not only illustrates the historically significant and defining features of the music but also links the surviving repertory to the flourishing musical culture in which it was created.

Choral Music James Michael Floyd, Avery T. Sharp, 2012-07-26 This is an annotated bibliography to books, recordings, videos, and websites on choral music. This book will serve as an excellent tool for librarians, researchers, and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition.

Listening to Confraternities Tess Knighton, 2024-12-30 Listening to Confraternities offers new perspectives on the contribution of guild and devotional confraternities to the urban phonosphere based on original research and an interdisciplinary approach. Historians of art, architecture, culture, sound, music, and the senses consider the ways in which, through their devotional practices, confraternities acted as patrons of music, created their identity through sound, and were involved in the everyday musical experience of major cities in early modern Europe. Confraternities have been studied from many different angles, but only rarely as acoustic communities that communicated through sound and whose musical activities delimited the urban spaces in which they were active. Contributors: Nicholas Terpstra, Emanuela Vai, Ana Lpez, Suero, Henry Drummond, Ascensi n, Mazuela, Anguita, Ferr n, Escriv Llorca, Noel O Regan, Magnus Williamson, Xavier Torres, Sans, Erika Honisch, Alexander Fisher, Konrad.

Eisenbichler Daniele Filippi Dylan Reid Elisa Lessa Antonio Ruiz Caballero Juan Ruiz Jim nez Sergi Gonz lez Gonz lez and Tess Knighton **Choral Music** Avery T. Reader's Guide to Music Murray Steib,2013-12-02 The Reader's Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology **Bericht Über Den ...**

Internationalen Musikwissenschaftlichen Kongress International Musicological Society. Congress,1993 *A History of Baroque Music* George J. Buelow,2004-11-23 A History of Baroque Music is a detailed treatment of the music of the Baroque era with particular focus on the seventeenth century The author's approach is a history of musical style with an emphasis on musical scores The book is divided initially by time period into early and later Baroque 1600 1700 and 1700 1750 respectively and secondarily by country and composer An introductory chapter discusses stylistic continuity with the late Renaissance and examines the etymology of the term Baroque The concluding chapter on the composer Telemann addresses the stylistic shift that led to the end of the Baroque and the transition into the Classical period Jacket *The Eighteenth Century* American Society for Eighteenth-Century Studies,2004 In their hundreds of entries and reviews the editorial staff have expanded both the quantity and depth of the work but also re evaluated the subject headings to better reflect the needs of users be they professionals or students General categories include printing and bibliographical studies historical social and economic studies philosophy **L'oratorio musicale italiano e i suoi contesti (secc. XVII-XVIII)** Paola Besutti,2002

Benedetto Vinaccesi Michael Talbot,1994 This is the first study of the life and works of Benedetto Vinaccesi 1666 1719 who despite his present day obscurity was a gifted and in his day much admired Italian composer from the period of Corelli His significant corpus of works includes operas oratorios sonatas cantatas and church music of many kinds and Talbot's description brings to light their striking originality More importantly perhaps since Vinaccesi's music harks back to an earlier generation of Italian composers Legrenzi Stradella Colonna yet also anticipates the later developments of Albinoni and Vivaldi it constitutes an unusual amalgam of elements identified today as middle and late baroque and Talbot's survey is able to place in focus many neglected aspects of stylistic evolution in the years around 1700 His chronicle of the Vinaccesi family and description of the citizen class to which it belonged is invaluable for the light it sheds on the place of the composer in seventeenth century Italy He also provides a wealth of other information on the society institutions and local history of Italy

especially Brescia and Venice in the seventeenth and eighteenth centuries The result is a rounded portrait of an important musician which also serves to illuminate many aspects of the Italian baroque Naaman-Zwillingsbrüder John Denison Champlin,William Foster Aphorp,1893 **Il padre G. B. Martini, musicista-letterato del secolo XVIII** Leonida Busi,1891 *Atti e memorie* ,1928 Memorie storiche della città e dell'antico ducato della Mirandola ,1891 Delle chiese, dei conventi e delle confraternite della Mirandola Ceretti,1891 **Memorie storiche della citta e dell'antico ducato della Mirandola ; pubblicate per cura della commissione municipale di storia patria e di arti belle della Mirandola** ,1891 **Annuario** ,1898 **Annuario** Turin. Istituto di Sperimentazione per la Chimica Agraria in Torino,1898 **Italy: Emilia-Romagna** Dana Facaros and Michael Pauls,2025-04-25 The new extensively updated second edition of Bradt's Emilia Romagna is the most thorough and in depth guidebook available to this entire north Italian region not just Bologna and the main cities This region blends the best of Italy a gastronomic hub elegant cities with vibrant cultural offerings and a coastline favoured by the Italians themselves Emilia Romagna combines the rich farmlands of the Po plain with dazzling cities strung like pearls along the straight as a die Via Emilia The regional capital Bologna is home to the world's oldest university while the smaller cities are strikingly different year round destinations Parma the town of Correggio has opera at its heart and prosciutto to delight the palate Modena with its stupendous medieval cathedral and world famous balsamic vinegar once home to Pavarotti and still to Ferrari Ferrara boasts the House of Este's spectacular Renaissance architecture Ravenna glitters with Byzantine mosaics and Rimini immortalised by Fellini in Amarcord offers the hedonistic attractions of the coast Then there are the Apennines along the Tuscan border where you can venture beyond the flatlands of the Po to go trekking cycling and skiing Here lie some of the region's prettiest villages and towns including Vignola famous for cherries and lovely medieval Castell'Arquato and the beautifully preserved Brisighella famed for its olive oil and Moretto artichokes Meanwhile to the east Romagna holds long sandy Adriatic beaches wildlife filled lagoons around the Po Delta and the world's smallest republic San Marino Written by expert authors Dana Facaros and Michael Pauls possibly the world's most experienced travel writers on Italy and updated by Italy aficionados Andrew and Suzanne Edwards Bradt's Emilia Romagna is the definitive guide to this diverse authentic area A strong focus on historical context art and culture is complemented by extensive practical detail for travelling around from restaurants and accommodation to shopping and the FICO Eataly food theme park New coverage in this edition includes literary tourism near Rimini and Ferrara the Fellini Museum the Fondazione MAST technology museum the Via Romagna cycle path birdwatching in the Po Delta and Po Grande Reserve With Bradt's Emilia Romagna you can discover all of this and more
