political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity The two speeches translated here grew out of his longtime rivalry with the orator Aeschines In Speech 19 On the Dishonest Embassy delivered in 343 BC Demosthenes attacks Aeschines for corruption centered around an ultimately disastrous embassy to Philip of Macedon that both men took part in This speech made Demosthenes the leading politician in Athens for a time Speech 18 On the Crown or De Corona delivered in 330 BC is Demosthenes most famous and influential oration It resulted not only in Demosthenes receiving one of Athens highest political honors but also in the defeat and disgrace of Aeschines who retired from public life and left Athens forever *Orators of ancient Greece* Guy Carleton Lee,1905

Dinarchus, Hyperides, and Lycurgus, 2010-07-22 This is the fifth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries B C in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few This volume combines the surviving speeches of three orators who stand at the end of the classical period Dinarchus was not an Athenian but he was called on to write speeches in connection with a corruption scandal the Harpalus affair that put an end to the career of Demosthenes His speeches thus raise many of the vital issues surrounding the Macedonian conquest of Athens and the final years of Athenian democracy Hyperides was an important public figure who was involved in many of the events described by Dinarchus and Lycurgus His speeches open a window into many interesting facets of Athenian life Lycurgus was one of the leading politicians in Athens during the reign of Alexander the Great and put Athenian public finances on a more secure footing He was also a deeply religious man who tried to revive Athenian patriotism after the crushing defeat at Chaeronea
