

## An Apple Orchard in the Spring

Have you seen an apple orchard in the spring?  
In the spring?

An English apple orchard in the spring?  
When the spreading trees are hoary  
With their wealth of promised glory,  
And the mavis sings its story,  
In the spring.

Have you plucked the apple blossoms in the spring?  
In the spring?

And caught their subtle odors in the spring?  
Pink buds positing at the light,  
Crumpled petals baby-white,  
Just to touch them a delight,  
In the spring.

Have you walked beneath the blossoms in the spring?  
In the spring?

Beneath the apple blossoms in the spring?  
When the pink cascades are falling,  
And the silver brooklets broiling,  
And the cuckoo bird soft calling,  
In the spring.

If you have not, then you know not, in the spring,  
In the spring.

Half the color, beauty, wonder of the spring,  
No sweet sight can I remember  
Half so precious, half so tender,  
As the apple blossoms render  
In the spring.

**The Orchard** Brigit Pegeen Kelly,2013-12-20 Richly allusive the poems in Brigit Pegeen Kelly s The Orchard evoke elements of myth in distinctive aural and rhythmic patterns Her poetic strength lies in her ability to cast poems as modern myths and allegories Propelled by patterned repetitions and lush cadences the poems move the reader through a landscape where waking and dream consciousness fuse Brigit Pegeen Kelly teaches creative writing at the University of Illinois at Urbana Champaign Her poetry collections are Song BOA Editions the 1994 Lamont Poetry Selection of The Academy of American Poets and a finalist for the 1995 Los Angeles Times Book Award and To the Place of Trumpets selected by James Merrill for the 1987 Yale Series of Younger Poets Prize     *In the Orchard* Charles W. **Blossom from an Orchard** Herbert Courthope Bowen,1885     **The Orchard By The Sea** Janusz Czubakowski,2012-07-19 The Orchard by the Sea is my second collection of poems The first The Maze Beyond the Garden also published by Xlibris skimmed the cream this one is I hope somewhat deeper and perhaps darker I have long considered that measure of some sort whether accentual syllabic or metrical is essential to poetry Further I believe a poem should not be a puzzle to solve but an experience to be felt even at its first reading although further reading may disclose dimensions not readily apparent I have also found myself drawn to the intricacies and contradictions as well as the dramatic possibilities of the monologue or soliloquy since years can easily be compressed or moments extended while sustaining a particular time place and mood Not all the I s are me nor all the you s someone else And the events are often fusions of memory and imagination and further altered by the passion of the moment or the logic of the form the seeming inevitability of the next image For the rest I must let the work speak for itself and for me     Blossom From an Orchard H. Nation,1870    **Sweet Core Orchard** Benjamin Scott Grossberg,2009    Strolling Through an Orchard Joseph E. Pluta,2016-07-27 A casual walk through an orchard of diverse fruit trees may be an apt metaphor for life s unpredictable journey Within this collection of poems readers glimpse the beauty of nature along with sometimes harsh lessons of history and unintended effects of technology They also explore the folly of misguided pursuits whether by heroes or adversaries and visit faraway places including the Roman Empire medieval times present day Asian cities geographically spectacular Canada contrasting American landscapes and even distant planets A varied cast of characters from Aesop to Hiawatha Darwin to Rockefeller Valentino to Capone and popular musicians to refugees assist in bringing many of these notable settings to life Broad in their focus the poems share a common theme of human adventure and discovery    **Requiem for the Orchard**

Oliver De la Paz,2010 These are vivid visceral poems about coming of age in a place where the Ferris Wheel was the tallest thing in the valley where a boy would learn to fire a shotgun at nine and wring a chicken's neck with one hand by twirling the bird and whipping it straight like a towel In spite of such hardscrabble cruelties or because of them there is also a real tenderness in these poems the revelations of bliss driving along an empty highway like opening a heavy book letting the pages feather themselves and finding a dried flower The poet has a gift for rendering his world in cinematic images In short these poems are the stuff of life itself ugly and beautiful wherever or whenever we happen to live it Martin Espada [Poems](#)
