Orchid Island:

Islands and Snakes Harvey Lillywhite, Marcio Martins, 2019-07-01 Islands and Snakes contains 13 chapters describing ecological systems with foci on snakes and their ecological roles on islands around the world. Each chapter is written by one or more authors who is an authority on that particular system. Summaries of research on the various islands are written in a narrative manner that includes science as well as personal insights in easily understood language. These varied vignettes of science feature islands around the world and in all cases fantastic species of snakes and their roles in the community of insular organisms in which they occur. Both challenges and opportunities associated with island life are discussed as well as the unique attributes of snakes and their conservation as unique and important parts of nature. Chapters include colorful photographs and illustrations and collectively they convey information on topics that include ecology, behavior, biogeography, physiology, adaptation, and evolutionary biology. An introductory chapter presents a review and perspective on the historical importance of island ecology and how snakes have contributed to our understanding of evolution and adaptation. The other chapters focus on snakes inhabiting islands associated with Asia, Australia, South America, North America, the Caribbean, and Europe. The final chapter features the unique table-top islands or tepuis of South America as examples of ecological islands where elements of biota have become isolated by geographic features of landscape similarly to oceanic islands. Managing the Effects of Tourism addresses the environmental, social, and cultural impacts of tourism while exploring strategies to ensure long-term benefits for communities and destinations. This book examines the importance of sustainable tourism practices particularly in developing countries where resources are limited and climate vulnerabilities are high. We discuss topics such as rural tourism development, urban planning for tourist destinations, and the preservation of cultural heritage sites. Designed for policymakers, researchers, and tourism professionals, this book offers practical insights into balancing growth with sustainability. By addressing the challenges and opportunities of tourism, we aim to foster a deeper understanding of its far-reaching effects on society and the environment. **Sailing Directions (enroute) for India and the Bay of Bengal**, 2002. Paisley Ivy and Skylar are three sisters starting over after their husbands betrayed them at the same time. Oldest sister Ivy is burned out from her law firm job and her husband left her with only a note. She's not sad about that though because her husband was a struggling musician who made Ivy the only breadwinner.

She has dreams of becoming a playwright but she's been so busy supporting other people's dreams that she didn't have time to realize her own. Will her stay on the island change that? Golden girl sister Paisley has secret struggles of her own. She and husband Ronan, a former NFL star quarterback, have been trying to have kids for years now to no avail. Turns out Ronan was fertile though as he impregnated another woman. Now he's having the family Paisley desperately wanted and Paisley is out of the picture. But Paisley has dreams of her own. And she's finally going to get the chance to realize them now that she's on her own with nobody to control her. Youngest sister Skylar has traumas she's been dealing with, traumas that are made worse when her husband leaves her. On the island, she'll find comfort, magic, and herself. And all three sisters are dealing with the trauma of losing their father 20 years ago. He just disappeared one night and nobody has told them why. He was a loving father, good and kind. What happened to him? And will the island's peaceful magic help them come to terms with his disappearance or maybe just maybe will they reunite? Escape to the island that will provide comfort, peace, belonging, and a second chance to these sisters. Pick up your copy today.

Germplasm Catalog, 1992. The Orchid Island Christmas Ainsley Keaton, 2026-09-08. Book Four of the Orchid Island series. It's Christmastime on the island. Paisley and Ivy have finally opened their bed and breakfast to guests, and since it's Christmastime, they decide to go all in with the Christmas theme. Every night, their guests are treated to Christmas songs around the piano, board games around the fireplace, and a lovely Christmas buffet filled with delicious traditional food. Everybody is encouraged to wear ugly sweaters, and by day, the guests toboggan, ski, and snowboard down the hills. But one person isn't feeling it: Nicole, Paisley's foster daughter. Nicole is still very scarred from her upbringing and doesn't feel that she belongs in a house full of revelers. Can a Christmas miracle convince Nicole that there is still magic in the world? Or maybe Pete, the sweet and shy fellow pastry chef, can bring her some Christmas cheer? Or maybe Paisley herself can bring the one thing to Nicole that she'd been missing: a real home. Join the gang as they celebrate Christmas at Ivy and Paisley's bed and breakfast. You're invited to spend Christmas with Ivy, Paisley, and the friends and family they love. Happy holidays. □□□ □□□, 2004. **Fiji** Robert F. Kay, R. O. B. KAY, 1990. From New York Times bestselling author JoAnn Ross, the first in a new series set in paradise. From its soaring mountain peaks to its turquoise lagoons, Orchid Island, the jewel of the Pacific, offers endless opportunities for romance to bloom. Lani Breslin has had it with the mainland rat race. A free spirit in an eccentric family, she's returned to her Orchid Island home to live an idyllic life. And if her brother happens to send along a yummy hunk to seduce her, that's just fine. With Lani, Police detective Donovan Quinn's last case nearly killed him. Burned out and still recuperating from an injury, he escapes to the tranquility of Orchid Island to reboot his life. It's a sweet surprise to

discover Lani has blossomed like one of the island's tropical flowers even if the Bro Code says you shouldn't crave moonlit kisses from your best friend's sister As Donovan struggles to resist Lani's charms matters get more complicated when her best friend's fiancé goes missing and he finds himself caught up in the chase involving the FBI sunken treasure and pirates It's not easy solving a mystery when he keeps stumbling over his heart and may have to choose between the opportunity of a lifetime or a lifetime in paradise with the woman he loves A stand alone sequel to Sunset Point [The Orchid Island Gallery](#)

Ainsley Keaton, 2026-09-08 Book Three of the Orchid Island series Paisley has a decision to make Lex Ellery has invited her to live with him so she can help him raise his daughter Bianca But Paisley has no romantic interest in Lex She still carries a torch for Noah but finds out information about him that causes her to believe she can't be with Noah even if he weren't engaged Paisley doesn't want to fall into a trap but she can't help feeling that's exactly what will happen she'll be enmeshed in a situation she can't get out of But everything changes when Paisley and Bianca go to Rome to be at Bianca's mother's bedside Rome really is Bianca's home Will everything change with this trip Liliana the fourth Connolly sister has joined the others on Orchid Lily is talented and intelligent but has suffered from a learning disability that has always prevented her from succeeding in school She's been struggling in her life but has a dream of being a photographer She gets a job with Jack Michaels a renowned island photographer who sees her raw talent Liliana seems to be on her way but still wants some formal education in photography She doesn't want to always be an assistant but become a professional one day Can she overcome her learning disability and enroll in the community college so she can one day realize her dreams With the feel good vibes you've known and loved from previous Ainsley books The Beachfront Gallery is not to be missed *The Orchid Island Restaurant*

Ainsley Keaton, 2026-09-08 Book Two of the Orchid Island Series Note this title was previously published under the title The Orchid Island Cafe Paisley is having the time of her life on the island She's realizing a lifelong dream of opening a restaurant and it's going gangbusters She's through with the sleazy Ronan and starting a new life The only problem Noah is still getting married But Paisley is determined to move on Might she move on with the handsome Lex a fellow chef turned internet superstar And if she does can she finally realize the other thing she's always wanted a child Probably not At least not right now She's still too busy mooning over Noah But Lex's young daughter Bianca pulls on Paisley's heart strings which leads her to make a surprising decision Ivy is happy too Her play is being produced and she loves living on the island But she too has romantic problems as she's hopelessly in love with Liam her play's director and her first love He seems to feel the same But they can't be together Not if Ivy wants to keep working with him And she does want to keep working with him now and in the future How can these two star-crossed lovers finally make it work Also on the island is Astrid Ivy and Paisley's childhood friend She's recovering from severe depression due to the death of her beloved sister for which Astrid feels 100% responsible With the help of her childhood friends and her best friend Gabriel Astrid comes out of her depression and begins to live life again Best of all her mother's comes back in her life Gabriel makes Astrid a surprising offer which makes her feel

her life will be complete But Astrid has feelings for Gabriel feelings she can't acknowledge even to herself Since Gabriel has a serious girlfriend that could complicate matters Continue the feel good stories of the characters you've come to love
