## **Oregon Historical Quarterly Spring 1996:**

*Oregon Historical Quarterly* Oregon Historical Society, 1930      *The Western Historical Quarterly*, 2011      **Heavens Are Changing** Susan Neylan, 2003 A study of Protestant missionization among the Tsimshianic speaking peoples of the North Pacific Coast of British Columbia during the latter half of the nineteenth century      *Oregon Historical Quarterly*, 1901  
*Quarterly of the Oregon Historical Society* Oregon Historical Society, 1919      *The Quarterly of the Oregon Historical Society* Oregon Historical Society, 1925      **In Search of the Racial Frontier** Quintard Taylor, 2014-05-26 An enthralling work that will be essential reading for years to come David Nicholson Washington Post A landmark history of African Americans in the West In Search of the Racial Frontier rescues the collective American consciousness from thinking solely of European pioneers when considering the exploration settling and conquest of the territory west of the Mississippi From its surprising discussions of groups of African American wholly absorbed into Native American culture to illustrating how the largely forgotten role of blacks in the West helped contribute to everything from the Brown vs Board of Education desegregation ruling to the rise of the Black Panther Party Quintard Taylor fills a major void in American history and reminds us that the African American experience is unlimited by region or social status      **Proceedings of the Oregon Historical Society Including ... the Quarterly Meetings of the Board of Directors, and the ... Annual Meeting of the Members of the Society ... 1899-1905** Oregon Historical Society, 1900      **The Washington Historical Quarterly**, 1914  
**Washington Historical Quarterly**, 1908      *The Canadian Historical Review*, 1930      *African-American Odyssey* Albert S. Broussard, 1998 This book illuminates the professional career and private lives of J McCants Stewart a Reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an African American family in America Adapted from book jacket      *Oregon's Promise* David Peterson del Mar, 2003 The first history of Oregon to appear in twenty five years Oregon's Promise explores familiar and neglected people and movements in the state's history while challenging readers to view Oregon's past present and future in a new way David Peterson del Mar recognizes that the words Oregon history conjure up images of Lewis and Clark and rugged pioneers But he argues that the explorers impact was both different from and less significant than commonly assumed and that the state's settlers were much more varied contentious complicated and interesting than conventional heroic stereotypes would suggest Oregon's Promise is a concise general history spanning the period from that of the region's earliest inhabitants to the present It moves beyond the more familiar episodes of Oregon history to discuss indigenous peoples before and after contact with whites the profound and evolving impact of broad forces like industrialization and suburbanization and the varied fortunes of a growing stream of people from across the world who have sought the good life in Oregon It explores the tensions behind contemporary disagreements rending our political social and cultural fabric The book's many themes revolve around Peterson del Mar's consideration of how Oregonians have attempted to build a prosperous and just society He examines both

the traditional center of Oregon history and its often overlooked margins the people who have struggled to be included in Oregon's promise Each chapter includes brief biographies of noteworthy Oregonians David Peterson del Mar is both a respected historian and an engaging writer with a talent for explaining Oregon's past in a way that will appeal to general readers as well as to scholars and students *Before Internment* Yuji Ichioka, Gordon H. Chang, Eiichiro Azuma, 2006 This book is an anthology of essays by Yuji Ichioka the foremost authority on Japanese American history which studies Japanese American life and politics in the interwar years *Oregon Historical Quarterly*, 1967 **"They are All Red Out Here"** Jeffrey A. Johnson, 2008 In this first book to fully examine the development of the American Socialist Party in the Northwest Jeffrey A. Johnson draws a sharp picture of one of the most vigorous left wing organizations of the early twentieth century Relying on party newspapers pamphlets and correspondence he allows socialists to reveal their own strategies as they pursued their agendas in Washington Oregon Idaho and Montana And he explores how the party gained sizable support in Butte Spokane and other cities seldom associated today with left wing radicalism *Racial Frontiers* Arnoldo De León, 2002-09-18 Both a synthesis of the recent literature and an explanation of what happened when distinctly identifiable races interacted on the frontier **Sweet Freedom's Plains** Shirley Ann Wilson Moore, 2016-10-20 The westward migration of nearly half a million Americans in the mid nineteenth century looms large in U.S. history Classic images of rugged Euro Americans traversing the plains in their prairie schooners still stir the popular imagination But this traditional narrative no matter how alluring falls short of the actual and far more complex reality of the overland trails Among the diverse peoples who converged on the western frontier were African American pioneers men women and children Whether enslaved or free they too were involved in this transformative movement Sweet Freedom's Plains is a powerful retelling of the migration story from their perspective Tracing the journeys of black overlanders who traveled the Mormon California Oregon and other trails Shirley Ann Wilson Moore describes in vivid detail what they left behind what they encountered along the way and what they expected to find in their new western homes She argues that African Americans understood advancement and prosperity in ways unique to their situation as an enslaved and racially persecuted people even as they shared many of the same hopes and dreams held by their white contemporaries For African Americans the journey westward marked the beginning of liberation and transformation At the same time black emigrants' aspirations often came into sharp conflict with real world conditions in the West Although many scholars have focused on African Americans who settled in the urban West their early trailblazing voyages into the Oregon Country Utah Territory New Mexico Territory and California deserve greater attention Having combed censuses maps government documents and white overlanders' diaries along with the few accounts written by black overlanders or passed down orally to their living descendants Moore gives voice to the countless mostly anonymous black men and women who trekked the plains and mountains Sweet Freedom's Plains places African American overlanders where they belong at the center of the western migration narrative Their experiences and perspectives enhance our understanding

of this formative period in American history      Wyoming History Journal ,1995      **Regions in Transition** Rolland Dewing,2006-10-02 Regions in Transition provides an in depth analysis of the dramatic influence of the Great Depression upon the geography politics economics and demography of the Northern Great Plains and Pacific Northwest Author Rolland Dewing who participated in the Dust Bowl migration and has lived more than thirty years in each region brings a unique voice to this history which references evidence from local histories on site visits and interviews scholarly research government documents and local newspapers
