Perhaps you said the wrong thing in anger and your partner broke up with you or you failed to empathize with a friend who quickly grew offended by your lack of concern for his wellbeing. Maybe you struggled to mesh well with your coworkers and your boss told you to look long and hard at yourself to understand where you are going so wrong in life. Your Customer will never stop using this Awesome book. Emotional intelligence is crucial to succeeding in the modern world. In an economy based almost entirely on services you need to be able to key in quickly and efficiently to the emotional states or needs of those around you in order to understand how to best serve not only yourself but the other person as well. When emotional intelligence is at its highest you fit smoothly into the cogs of society and both you and whoever you are currently interacting with have your needs met. However most people typically do not have the high levels of emotional intelligence also known as their emotional quotient or EQ needed to achieve such a smooth exchange. Luckily emotional intelligence is a skill that can be built upon rather than being a fixed value that you will be trapped with indefinitely. By boosting your EQ you will find your relationships getting easier as well as feeling as though you yourself are becoming happier. Through becoming more emotionally aware you are able to alter your very mindset, stepping back from the negativity that once plagued you and finally being free of control of your emotions. Within the pages of this book you will be guided on your journey toward bettering your own emotional intelligence. It will teach you what you will need to be successful on your journey and point you in the right direction toward bettering yourself. In this guide you will

discover Explanations of what emotional intelligence is as well as the history and a brief explanation of the science behind it A thorough understanding of both emotions and temperament and how the two of them relate to your EQ How EQ and IQ differ and why EQ is more important A multitude of examples of what low EQ can do to your relationships as well as how higher EQ can strengthen them A detailed test to identify your own EQ skills and values 200 practical tips to increase each of your emotional intelligence domains The five steps to emotion coaching and several tips for how to raise an emotionally intelligent child An assessment for how effective you are at emotion coaching How emotional intelligence of the father is important to the emotional intelligence of his children Examples of both children and teens with lower and higher EQs and how emotion coaching can help them and more Buy it now and let your customers get addicted to this amazing book
