**Fandom Power** Ethan Parker, AI, 2025-03-29 Fandom Power explores the significant influence of fan communities on film television and the broader media landscape. It examines how passionate fans impact media content sometimes even reviving canceled shows or pressuring creators to alter storylines. The book highlights that fan activism has become a potent force demonstrating how consumer demand directly affects creative decisions. For instance, fans have utilized crowdfunding campaigns to support media projects and have organized online to influence production, showcasing their ability to shape entertainment. The book delves into the sociological underpinnings of fandom, the economic impact of fan activism, and the ethics of fan creator interactions. It progresses across three sections introducing core concepts, analyzing case studies of successful fan interventions, and exploring future models for fan creator collaboration. By drawing upon audience research, social media analytics, and interviews, Fandom Power offers a novel perspective framing fan activism as a form of cultural production rather than mere consumer behavior.

**Applied Artificial Intelligence in Business** Leong Chan, Liliya Hogaboam, Renzhi Cao, 2022-07-19 This book offers students an introduction to the concepts of big data and artificial intelligence AI and their applications in the business world. It answers questions such as what are the main concepts of artificial intelligence and big data? What applications for artificial intelligence and big data analytics are used in the business field? It offers application-oriented overviews and cases from different sectors and fields to help readers discover and gain useful insights. Each chapter features discussion questions and summaries. To assist professors in teaching the book, supplementary materials will include answers to questions and presentation slides.

**Affiliate Marketing Reloaded** Ryan T. Maddox, 2025-11-04 Are you tired of chasing affiliate trends that don't convert or worse burn out your time and energy with zero results? Affiliate Marketing Reloaded is your no-hype smart strategy guide to building reliable, scalable passive income through affiliate marketing without needing a big audience, tech skills, or paid ads to start. Whether you're a beginner or restarting from scratch, this book delivers a practical blueprint that aligns with today's algorithm-driven platforms and content economy. Inside, you'll learn how to: Choose a profitable niche that balances passion, problem solving, and demand; Identify high-converting affiliate products that sell on autopilot; Join top affiliate networks like Amazon, ClickBank, ShareASale, and more; Build a simple, effective funnel that earns while you sleep (no blog needed); Create content that ranks, converts, and grows trust even if you're not a writer; Leverage free traffic from YouTube, TikTok, Pinterest, Reddit, and Quora; Automate emails; Repurpose content and scale with smart AI tools; Avoid platform bans, burnout, and common rookie mistakes that sabotage success. What sets this book apart: It's grounded in real-world case studies, ethical marketing practices, and a less-hustle, more-strategy approach to online income. This is not another recycled ebook full of fluff; it's a roadmap designed for sustainable results and built with the long game in mind. If you've struggled to make affiliate marketing work or you're looking to re-enter the game with clarity and purpose, Affiliate Marketing Reloaded is your reset button. Start building a real
