## **Methuselahs Secret:**

*Methuselah's Hidden Antediluvian Abridgement* James Hendershot, 2014-10-14 Too much of humanity's history might have been lost through the great flood which mercifully rendered humankind another chance to dwell on the Earth. This fictional account through Methuselah begins with the creation of the two Earths and follows Adam through his multiple wives torn by sons who murder each other. His remaining sons divide into tribes separated by their relationship with the creator. Nonetheless wickedness rose in Seth's tribe while righteousness comes forth from Cain's seed. Eve rewards Irad after he avenges the murder of his mother who was a favored stepdaughter of Eve. Eve rewards Irad with three of her cherished daughters. They launch a new homeland beyond the two established borders and through their faith in the God of Adam find favor with the Ancient One who reestablishes his covenant with a descendant of Habil Cain Lilith and several of her daughter's bond with Duci one of Irad's wives exploring the wild unsettled bulk of Pangaea lands beyond the invisible border which protects humanity from the hungry dinosaurs living in the open wilderness. Duci with help from the Nephilim build the foundations for their two new cities and multiple temples. Irad's tribe sails on secret ships to the southern hemisphere and build a Holy nation serving the Ancient One. Enoch settles his small family on a mountaintop protected by angels as humanity falls into the final stage of wickedness. Irad and his wives end their long fruitful lives nevertheless they watch from heaven as the vast majority of their family chose to follow their own gods and disown the Ancient One. Just three young men who must sail to a distant island with their wives remain servants of the Ancient One. Noah builds a giant rectangle ship boarding his sons and many wild animals saving them through a large flood. Avram sails through the flood with his small group while watching death consume the lands.

[The Methuselah Solution](#) William O. Harris III, 2000-11-06 As the prison population grows exponentially in the U.S. today writer Bill Harris has captured the politics of the prison system and found a revolutionary answer in his futuristic novel *The Methuselah Solution*. One of the story's two protagonists Dr. Cynthia Turner is a rising star at the Institute where she supervises the administration of a new form of alternative sentencing an aging serum developed to replace multiple years of costly confinement with the injection of a drug that rapidly ages convicted felons to their prescribed sentence. The serum is a favorite with politicians but the bane of powerful companies long profiting from the spiraling expansion of prison construction. The serum is in its sixth year of use when the problems start. A time when prisons have become a place where aged felons can readjust to life with weaker bones slower pulses and mottled minds. Except for the antagonist Joshua Howard. A career criminal Joshua is clever attractive self-righteous and has been sentenced to be aged twenty years for embezzlement. Dr. Turner watches with a mixture of awe and horror as Joshua is over aged thirty years leaving his body far weaker than his spared mind. Dr. Turner and her boss Dr. Kenneth Lambert attempt to deal with Joshua and another prisoner Patricia Bennett a former Olympic Gymnast who killed her husband while responding to the encouragement of her dead father. The Institute is now faced with the epic task of confronting Patricia's Olympic strength and

the determination of Joshuas contempt and rage What happens inside the underground prison throughout the story would remain as silent and deadly to the population of Texas as the Ebola virus was to Reston Virginia except for the disorganized attempts of the second protagonist Alexis Troutman Alex is a local reporter who has begun to oppose the use of the aging serum and attempts to enlist Dr Turners help to rectify the prisons problems The Institute is racing to develop an antidote to counteract over aging reactions the only problem is that Joshua gets to the antidote first The apocalyptic conclusion explodes when Alex enters the Institute as Joshua and Patricia embark on a reign of terror and vengeance after securing the antidote

Methuselah's Daughter John Eddy,Dean Esmay,2006 Zsallia Marieko is a solitary immortal very much the pagan barbarian at heart but tempered by her centuries amongst a growing Christian influence in Western Europe Her tale is by turns pathetic endearing unnerving and horrifying as the reader witnesses her climb from nameless slave to terrifying goddess then her plunge into murderous insanity until she emerges humbled and remade all this in just her first 1500 years Concomitant with that tale is the modern narrative where Zsallia is forced to confront what it means to cease living outside society and join the world around her to take up the benefits and responsibilities of living openly and asking people to simply accept who and what she is
