Forever Recognize Others' Greatness Sarah McVanel, Brenda Zalter-Minden, 2015-12-15

According to countless engagement surveys and polls, the majority of employees today want to feel more valued and to contribute in more meaningful ways. The results of disengagement are devastating: Top talent is considering or acting on their exit plan. Employees who remain are blocked from giving their talents, passions, and virtues to their workplace. Organizations are failing to satisfy their customers and are missing opportunities to innovate and keep their business viable. It doesn't have to be this way. In this book, based on their new recognition approach, FROGTM, Forever Recognize Others' Greatness, Sarah McVanel and Brenda Zalter Minden show what happens when leaders and employees pay close attention to the essential
