Michael Vick:

Finally Free Michael Vick, 2012-09-04 One of the most talented and polarizing athletes of our generation Michael Vick's stunning story has captured news headlines across the nation From his poverty stricken youth to his success on the field in high school and college to his rise to NFL stardom and his fall from grace *Finally Free* shows how a gifted athlete's life spiraled out of control under the glare of money and fame aided by his own poor choices In his own words Vick details his regrets his search for forgiveness the moments of unlikely grace and the brokenness that brought his redemption on the way to a surprising fairy tale season with the Philadelphia Eagles in 2010 **Michael Vick** Jill C. Wheeler, 2006-07 Examines the life and achievements of Michael Vick discussing his family and schooling and his rise to fame as a professional football player Michael Vick Jeff Savage, 2011-08-01 Describes the life and accomplishments of the fastest quarterback to ever play in the National Football League *Growing up Vick* Tina L. Vick, 2013-06-20 *Growing Up Vick* is a compelling book about the challenges of growing up in poverty but having the strength and fortitude to rise above your situation Poverty is not permanent says the author The book also reveals the challenges of being blood related to a superstar athlete and the good and bad about the superstar lifestyle She is the aunt of NFL Superstar Michael Vick who was once the highest paid athlete in NFL history Ms Vick also discusses her new life in politics and what she found out behind closed doors about the political life in her hometown Michael Vick (Revised Edition) Jeff Savage, 2011-08-01 **Michael Vick, 2nd Edition** Jeff Savage, 2011-08-01 Michael Vick quickly established himself as one of the National Football League's most exciting quarterbacks after the Atlanta Falcons drafted him first overall in 2001 His powerful arm and blazing speed set him apart But at the peak of his career in 2007 Michael wound up in prison After serving a two year sentence he returned to the NFL determined to show he had learned from his mistakes In 2010 the Philadelphia Eagles star quarterback proved he still has the skills and leadership to make his team Super Bowl contenders Follow Michael's story from his childhood through his amazing comeback *From Vick-Tim to Vick-Tory* Ms Kenneth N. Robinson, 2013-08 Far beyond detailing NFL star Michael Vick's conviction for dog fighting his prison sentence and comeback Kenneth N Robinson raises important issues concerning the way race and deviance are treated in America His book offers a critical analysis of the broader sports culture of the NFL and its dominant alliance including the media corporate sponsors and the politics of the state The book examines differential treatment by race and how this pertains to Vick when compared to high profile whites in the NFL i.e Ben Roethlisberger and Bill Belichick In addition the harmful impacts of negative labeling show the detrimental effects of Vick being typecast as the face of animal cruelty Not only did the strong social reaction have a deleterious effect on Vick's criminal case but following the police raid of his home in Smithfield Virginia on April 25 2007 the number of African Americans arrested for dog fighting increased disproportionately by race from the five years prior This makes them the only group to see a percent increase in their arrests and convictions in the five years that preceded and followed the April 25th raid of Vick's property This data

raises serious questions of selective enforcement by race Overall the strength of this work lies in Robinson s unique analysis of Michael Vick s fall and rise I don t think I have ever described an academic work as creative but each section of this book is just that innovative original and inspired I say this because of the specific comparisons that Robinson utilizes i e dog fighting to bestiality Vick s treatment to Roethlisberger s the NFL to China which have never previously been discussed so thoroughly and sophisticatedly but are undeniable in proving the point that racial discrimination is alive and well in America
