McCormick,1998 Best of the Best profiles thirty five today's hottest stars and gives the reader a look into the personality behind the performances on the field Each chapter gives a short biography of one of the players an overview of his time in the Major Leagues highlights from the previous season's play and color photographs showing the athlete both on and away from the diamond at work and at the player's career are also included *Play Harder* Gerald Early,National Baseball Hall of Fame,2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson's breaking of the color barrier up to today's game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America's sense of itself with its identity than baseball No sport has been so inextricably bound with America's traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB's recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball's early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today's game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country's diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball's greatest players and their remarkable contributions to the game we know and love today *Save Baseball* Larry Hausner,2024-02-09 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball's struggle to reinvent itself for future generations *The Best of From Our Own Correspondent* British Broadcasting Corporation,1994-12-31 From Our Own Correspondent is one of the most popular programmes on BBC Radio 4 and the World Service This fifth compilation is a round up of the events of 1993 as
