Myth Retelling Ideas:

Heroines of the Postmodern and their Worlds in Contemporary Historical Fiction Alicja Bemben, Michael Joseph, 2025-09-29 This volume focuses on historical fiction written by and for women approximately in the last 30 years and across the entire globe. It comprises three parts: Part 1 draws on the theme of the inner life and experiences of the female historical figure; Part 2 is concerned with genre bending that fuels the construction of the vast majority of story worlds within the genre; and Part 3 with the idea of unusual angles that the historical fiction storytelling employs.

The Writer's Idea

Book 10th Anniversary Edition Jack Heffron, 2012-01-15 Where do you get your ideas? It's a question that plagues every writer. And once you've got an idea, what then? Ideas without a plan, without a purpose, are no more than pleasant thoughts. So how do you come up with those ideas and how do you turn them into writing that will engage your reader? *The Writer's Idea Book* is here to help you find the answers. Utilizing more than 400 prompts and exercises, you'll generate intriguing ideas and plumb their possibilities to turn them into something amazing. This indispensable guide will help you develop good writing habits that foster creativity. Explore your own life for writing material. Draw inspiration from the world around you. Find form for your ideas, develop them into a piece of writing, and make them better. Let *The Writer's Idea Book* give you the insight and self-awareness to create and refine ideas that demand to be transformed into greater works, the kind of compelling, absorbing writing that will have other writers asking, "Where do you get your ideas?"

The Routledge Handbook of Progressive

Rock, Metal, and the Literary Imagination Chris Anderton, Lori Burns, 2025-02-26 This Handbook illustrates the many ways that progressive rock and metal music forge striking engagements with literary texts and themes. The authors and their objects of analytic inquiry offer global and diverse perspectives on these genres and their literary connections from ancient times to the modern world, from children's literature to epic poetry, from mythology to science fiction and from esoteric fantasy to harsh political criticism. The musical treatments of these literary materials span the continents from South and North America through Europe and Asia. The collection presents critical perspectives on the enduring and complex relationships between words and music as these are expressed in progressive rock and metal. The book is aimed primarily at an academic market, valuable for second through final year students on undergraduate courses devoted to both popular music and to literary studies, and to postgraduate programs and researchers in a range of fields including popular music studies, musicology, creative music performance and composition, songwriting, literary studies, narrative studies, folklore studies, science fiction studies, cultural studies, liberal studies, and sociology, and for media and history courses that have an interest in the intersection of narratives, music and society.

Terror and Liberalism Paul Berman, 2003

He calls for a new radicalism and a liberal American interventionism to promote democratic values throughout the world. A vigorous new politics of American liberalism.
