## Vampire Romance 2025 Edition:

**ENID (Book 2)** Eileen Sheehan, 2024-12-24 In this gripping continuation of the Enid Trilogy Enid's journey takes her from the mysterious elfin realm into the dazzling perilous world of fairies. When Enid discovers her royal fairy lineage it not only surprises her but it sets the fairy kingdom ablaze with intrigue. Her newfound heritage not only makes her a target but also threatens the fragile balance of power. Princess Cecelia, sister to King Reil, views Enid's bloodline as a dangerous challenge to the throne. In a desperate effort to secure her family's rule, Cecelia's schemes place Enid in mortal danger. Captured by trolls and held as a pawn in a shadowy game, Enid must summon all her courage and strength to survive. As the fairies, elves, and dragons unite for a daring rescue mission, the bonds between realms are reinforced. In a heart-pounding battle filled with betrayal, magic, and fire, alliances are forged. Will Enid live to escape the trolls' evil grasp and reclaim her destiny, or will her royal blood spark a war that consumes them all? Rich with magic, intrigue, and unforgettable characters, **Enid Book 2** is a thrilling tale of identity, power, and the lengths one will go to for power.

**ENID (BOOK 1)** Eileen Sheehan, 247-01-01 **ENID** Book 1 of a fantasy trilogy is a tale of courage, discovery, and destiny. In the aftermath of a devastating dragon attack that leaves her village in ruins, Enid, a fierce and skilled warrior, seeks refuge in a neighboring village. She soon discovers that the villagers are locked in a desperate battle against relentless trolls who are hunting the runaway elfin princess they gave sanctuary to. Unaware that her path will lead her into the heart of the elfin kingdom, Enid joins the fight. There, within the halls of the elfin king's palace, she uncovers secrets that have been hidden for generations. Secrets that shake the very foundation of her identity. As palace intrigue unfolds and ancient rivalries resurface, the truth about her origins is revealed. This forces her to confront her destiny and the role she must play in a looming conflict that threatens to engulf the entire realm. Enid's journey will redefine not only who she is but what she's capable of becoming. What Reader's Favorite has to say: 5 star review. Reviewed by Foluso Falaye for Reader's Favorite. Review Rating: Enid by Eileen Sheehan welcomes readers into a fascinating magical world filled with dragons, elves, trolls, and other amazing characters. This is a nuanced tale that involves fierce fighters, engaging politics, and enthralling war scenes. Enid vows to avenge the deaths of her parents and punish those behind the destruction of her village. She also finds herself falling for Logan, who happens to be a warrior among her new friends in another village. Unfortunately, Logan seems to have his eyes on rescuing a very beautiful princess with a mysterious past. Meanwhile, the evil plans of the elves unfold as they become more powerful and strike fear in the hearts of anyone who stands in their way. Enid and her new friends must unravel the secrets that can drastically improve their odds of winning the battles they face. I was captivated by the protagonist's determination to succeed and defeat her enemies. As Enid and her fellow fighters recover from sudden attacks and prepare for more intense battles, they discover chilling secrets about their foes and plot ways to counter the threats they face despite being close to defeat. The book explores the theme of magic quite brilliantly. I enjoyed reading about the magic that can control dragons and seeing the characters seek ways to gain access to

untapped powers Also the book offers some exciting romantic scenes Enid and Logan's buried feelings for each other create an alluring suspenseful atmosphere that keeps resurfacing tastefully throughout the narrative Ultimately any fantasy fan who chooses Enid is making a great choice Its smart blend of magic charming characters and engrossing themes makes it a great choice I can't wait to read more stories in this skillfully built world created by Eileen Sheehan **World Builder: Silverwood Academy Book 2** ID Johnson,2024-09-15 Things are moving and shaking for Rachael as a new vampire hunter Rachael was uprooted from her life as an author the day one of her characters knocked on her door and invited her to attend the very academy she invited in her books Silverwood Academy How could she pass up the request from the sexy leading man she'd created Now that she's there she's not only fighting bloodsuckers she's trying to figure out how all of this happened Could it be tied to some magical powers that are passed down through her family If that's the case what else can she do Rachael is doing her best to defeat the evil vampire Sasha Thornsby but she's distracted by Graham and Jared if she's honest with herself Can she fall for one of the men she created She's starting to think she can when everything takes another turn Will the familiar blonde woman she spies at a hunt end up rocking her world again Hold on Things are getting wild Note This book ends on a cliffhanger You will need to read book 3 to get the full story **Fangs for Nothing** Steffanie
