Chibi Character Styles Hazel Monroe, AI, 2025-03-10 Chibi Character Styles explores the delightful art of chibi character design focusing on simplified proportions and exaggerated expressions This book explains how to capture a character s essence using just a few lines Interestingly chibi art while seemingly modern is rooted in historical art forms like caricature and early animation demonstrating its enduring appeal Learn how to effectively manipulate proportions creating endearing characters with large heads and small bodies and master the art of conveying emotions through subtle facial adjustments The book uniquely deconstructs the chibi style with a systematic approach offering a clear framework for understanding its principles It emphasizes expressive exaggeration to
