Methuselah Solution:

The Methuselah Solution William O. Harris III, 2000-11-06 As the prison population grows exponentially in the U S today writer Bill Harris has captured the politics of the prison system and found a revolutionary answer in his futuristic novel *The Methuselah Solution* One of the story's two protagonists Dr Cynthia Turner is a rising star at the Institute where she supervises the administration of a new form of alternative sentencing an aging serum developed to replace multiple years of costly confinement with the injection of a drug that rapidly ages convicted felons to their prescribed sentence The serum is a favorite with politicians but the bane of powerful companies long profiting from the spiraling expansion of prison construction The serum is in its sixth year of use when the problems start A time when prisons have become a place where aged felons can readjust to life with weaker bones slower pulses and mottled minds Except for the antagonist Joshua Howard A career criminal Joshua is clever attractive self righteous and has been sentenced to be aged twenty years for embezzlement Dr Turner watches with a mixture of awe and horror as Joshua is over aged thirty years leaving his body far weaker than his spared mind Dr Turner and her boss Dr Kenneth Lambert attempt to deal with Joshua and another prisoner Patricia Bennett a former Olympic Gymnast who killed her husband while responding to the encouragement of her dead father The Institute is now faced with the epic task of confronting Patricia's Olympic strength and the determination of Joshua's contempt and rage What happens inside the underground prison throughout the story would remain as silent and deadly to the population of Texas as the Ebola virus was to Reston Virginia except for the disorganized attempts of the second protagonist Alexis Troutman Alex is a local reporter who has begun to oppose the use of the aging serum and attempts to enlist Dr Turner's help to rectify the prison's problems The Institute is racing to develop an antidote to counteract over aging reactions the only problem is that Joshua gets to the antidote first The apocalyptic conclusion explodes when Alex enters the Institute as Joshua and Patricia embark on a reign of terror and vengeance after securing the antidote

Too Old to Die Bill Harris, William O. Harris, III, 1998-03-01 *Steering Or Drifting-which?* Israel Herbert Levinthal, 1928 From Adam to Noah-The Numbers Game Leonard Timmons, 2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah's ark the story of Noah and his wife and Tower of Babel story Most of us have been taught that the Bible

was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one **The Divine Ryans** Wayne Johnston,1998-10-13 In this beloved bestselling novel which has been unavailable for some time young Draper Doyle Ryan tries to come to terms with the mysterious death of his father as he struggles in touching comic fashion with budding adolescence and the strange demands of his proudly eccentric family When first published in 1990 The Divine Ryans received unanimous critical praise and won the Thomas Raddall Atlantic Fiction Award Wayne Johnston himself was hailed as one of Canada s most distinctive comic talents **The Homiletic Review** ,1922 *What's Who?* Roger Jones,2009 This book is an enjoyable reference book which looks at eponymy the naming of things after people **The Juvenile instructor and companion** Young people,1871 *The Origins Solution* Dick Fischer,1996 This book is creating a firestorm of academic debate Fischer proposes that Adam was created under a covenant with God and was inserted into an already populated world His harmonization of Genesis with history and science puts this issue to rest **A Little Blood and Dancing** Tyler Parker,2023-06-13 It s a tale as old as time doomed romance bloody revenge fast food and the voice of God Welcome to Tyler Parker s Oklahoma and one of the most anticipated debut novels of the year from one of our best funniest new writers Check out Sylvia Table he drives a seafoam green 1968 Ranchero owns a badass sword and is one dead uncle away from an inheritance that should set him and the love of his life Lady Sixkiller on the road to easy living and the family she s always wanted Sure he may not be cut out for any kind of conventional job but as long as Lady can hold things down as a waitress until rich old Methuselah shuffles off this mortal coil what s the big deal Yes things are looking good for Sylvia Table aka Big Noise aka Grandest Poobah aka Big Quiche But uncles don t always die on schedule maternal clocks keep ticking with increasing urgency doing crimes beats working for a living and the past refuses to stay buried In this case the past takes the form of Priscilla Blackwood a woman locked in an eternal one sided conversation with Jesus Christ Himself and dead set on enacting vengeance for the murder of her father which she witnessed as a little girl Whether Table knows it or not he s on a collision course with an avenging angel who believes she s got the Lord on her side Combining the linguistic punch of Elmore Leonard the living landscapes of Cormac McCarthy and the comic soul of Charles Portis *A Little Blood and Dancing* announces Tyler Parker as one of our most extraordinary new voices Notes to volumes 1 and 2: From the creation to the exodus Louis Ginzberg,1925 Metropolitan Pulpit and Homiletic Monthly ,1922 *The Legends of the Jews: Notes to*

volumes *I and II, from the creation to the Exodus* Louis Ginzberg, 1925 *Legends of the Jews* is a most remarkable and comprehensive compilation of stories connected to the Hebrew Bible It is an indispensable reference on that body of literature known as Midrash the imaginative retelling and elaboration on Bible stories in which mythological tales about demons and magic co exist with moralistic stories about the piety of the patriarchs *A Guide Through the Worlds of Robert A. Heinlein* J.
