## **Metro Paris:**

**The Paris Metro** Susan L. Plotkin, 2000-12 The metro may be a mere hundred years old but it tells a tale of France twenty times as long The story begins in the fifth century BC when wild Celtic tribes roamed the countryside of Gaul Then Julius Caesar imposed a Roman rule that lasted five hundred years and forced the Celts to settle down All that seems like only yesterday to a Frenchman because those Celts and Romans are close friends to every reader of the French comic book series Asterix Asterix and his fellow Celts live quite happily in a small fortified enclave in Brittany in northwestern France Their idyllic primitive existence is occasionally intruded upon by those nasty Roman conquerors but the Celts always manage to get the best of the Romans despite great odds

**Al sia M tro Line 4** The Battle of Al sia 52 BC is the oldest event commemorated in the Paris Metro The Celtic warrior Vercing torix managed to unite competing tribes against the Romans in one last attempt to save Gallic independence It was not an easy task It was difficult to live with let alone lead these autonomous quarrelsome groups Vercing torix planned to wage hit and run guerrilla warfare to starve the Romans into defeat by destroying the crops in their path as they penetrated deeper into Gaul in pursuit of the pesky Celts In the town of Bourges the local population refused to allow the destruction of their wheat a fatal mistake Caesar descended on the town and confiscated it for his hungry troops With renewed energy the Romans gave chase The Celts retreated to a high plateau called Al sia where they were quickly surrounded by Caesar s forces The table was now turned Caesar built a fortification around Al sia twelve and a half miles in circumference It consisted of a double row of spikes one facing inward and the other outward which prevented both escape and the re provisioning of the rebels The Celts had only a month s worth of provisions but somehow they held out for two by which time the men were famished and exhausted Vercing torix surrendered Few lives had been lost in battle but countless numbers died of starvation Vercing torix was imprisoned in Rome where six years later when he was all but forgotten Caesar had him strangled to death Both the Celts who lost and the Romans who won have contributed much to French culture so it s a tricky thing for the French to say whether Al sia was a victory or a defeat One thing is clear in real life the Celts did not always win In the end it was most likely the mountains of horse manure that gave birth to the Paris Metro During the last quarter of the 19th century Paris did not lack the means of transport What it patently lacked was a transportation system There were competing omnibus lines trams trains and private conveyances all overlapping most taking roundabout routes throughout the city hindering one another and certainly hindering business Forty lines of horse drawn omnibuses traversed Paris in 1870 and ten thousand horses were required to pull them The maintenance of the horses ate up fifty percent of the entire company budget Each omnibus held about 20 passengers half of them riding on top of the carriage By the turn of the century the omnibuses carried as many as forty people each still with many sitting on the carriage roof The roads were made of cobblestones or wood planks or sometimes just hardened mud there were no shock absorbers on the carriages and the stench from the horse manure was overwhelming One hundred

million passengers used the omnibuses that year probably half of them holding perfumed handkerchiefs to their noses to ward off the stench *Paris Metro Handbook* Brian Hardy,1999 *Discover Paris by Metro* Anne-Claire Ruel,Aur lie Clair,Catherine Taret,2012 A unique guide to the legendary Paris M tro that reveals line by line station by station what to see and do to discover Paris like a Parisian *DK Eyewitness Travel Guide Paris* DK Travel,2016-10-18 DK Eyewitness Travel Guide Paris is your in depth guide to the very best of Paris The Eiffel Tower and the Louvre are among the many must see sights in Paris but DK Eyewitness Travel Guide Paris will show you so much more Walk along the banks and bridges of the River Seine the tree lined Champs lys es and the intricate back streets of the Montmartre neighborhood with your guide in hand to really embrace the culture of the most glamorous and romantic city in Europe Discover DK Eyewitness Travel Guide Paris Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights and restaurants Detailed city maps include street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Suggested day trips and itineraries to explore beyond the city Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Paris truly shows you what others only tell you **Metro Stop Paris** Gregor Dallas,2009-05-26 A history of Paris in twelve m tro stops M tro Stop Paris recounts the extraordinary and colorful history of the City of Light by way of twelve M tro stops a voyage across both space and time At each stop a Parisian building or street or tomb or landmark sparks a story that holds particular significance for that area of the city Dallas takes us to the jazz cellars and literary caf s of Montparnasse and Saint Germain des Pr s the catacombs at Hell s Gate and the Op ra during the days of Claude Debussy A darker side of Paris emerges at the Trocad ro stop and a charitable side at the Gare du Nord which highlights the work of Saint Vincent de Paul Finally our journey ends at P re Lachaise cemetery with the little known story of Oscar Wilde s curious involvement in the Dreyfus affair one of France s greatest legal scandals From Hell the Denfert Rochereau stop on the south side of the city to Heaven the Gare du Nord at the north end of Paris M tro Stop Paris carries readers on a journey of the heart and mind M tro Stop Paris is a thinker s guide to Paris made up of slices of life little vignettes drawn from Paris s two thousand years of history Taken separately these are charming historic tales about a city known and loved by many but read as a whole M tro Stop Paris goes straight to the heart of what is quintessentially Parisian *DK Eyewitness Travel Guide: Paris* ,2014-10-01 The DK Eyewitness Travel Guide Paris is your indispensable guide to this beautiful part of the world This fully updated guide will lead you straight to the best attractions Paris has to offer whether you are planning visits to the Louvre and other museums of Paris a climb up the Eiffel Tower or just want to go shopping This guide includes unique cutaways floor plans and reconstructions of the must see sites plus street by street maps of all the
